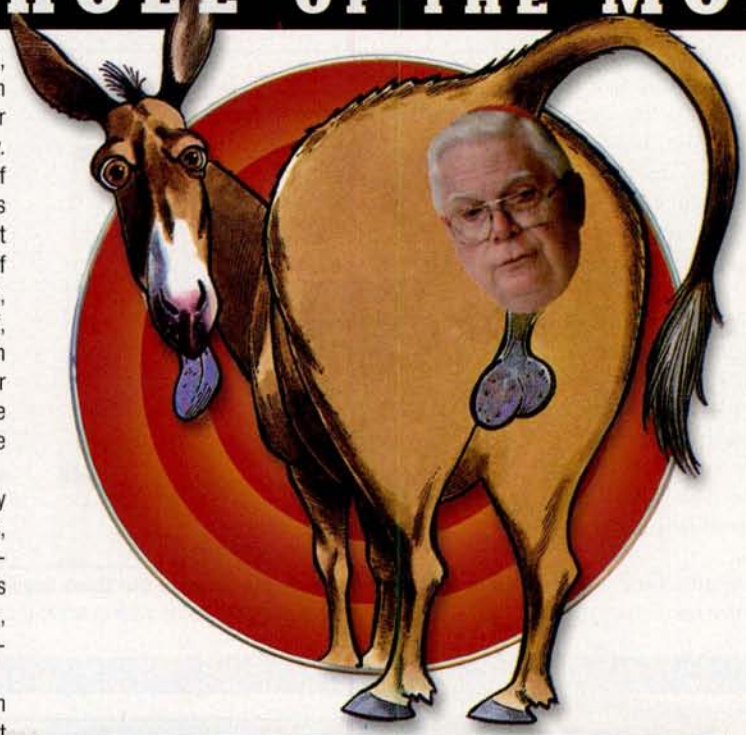
Bits & Pieces

ASSHOLE OF THE MONTH



CARDINAL BERNARD LAW

According to Catholic doctrine, there are shits of commission and shits of omission, which occur when an asshole fails to do its duty. Cardinal Bernard Law, head of the Archdiocese of Boston, has amassed a mountain of derelict butt nuggets under his haunches. If Law's fecal negligence continues, he'll soon ascend to heaven itself, where God will surely strangle him until his toadlike face is lifeless. For now, Law's log pile has reached the summit of HUSTLER's Asshole of the Month for June 2002.

Boston's archdiocese is currently straining under no end of lawsuits, 25 of which name Law as a defendant, and nearly half the cardinal's flock have called for his resignation, due to his willful infliction of boy-raping scum on a trusting public.

On January 18, former priest John Geoghan was convicted of indecent child assault. Geoghan also faces two charges each of child rape and child assault, along with 86 civil suits, none of which he is contesting. In all, the onetime holy man is suspected of sexually abusing more than 130 children.

The most horrific aspect of Geoghan's atrocious legacy is that it could have been cut short by half, had Law not abetted the crimes.

When Law, 70, took over the archdiocese in 1984, Geoghan was an established boy-fucker who'd been driven from three parishes, twice amid molestation charges. Soon after taking office, the cardinal had to remove Father Fuck-me from parish number four, following more complaints. Any responsible supervisor with a conscience would have detected a harmful pattern to be broken. Law reassigned Father Slime to a fifth church where, foisted on another unknowing congregation, the priestly pedophile molested at least 30 more lads.

Geoghan's reported abuse continued until 1995. Law finally defrocked Geoghan in 1998, 14 years after learning of his penchant for kiddie sex. The cardinal might as well have shoved Deacon Diddle's prick into the tots' asses himself.

When news of the choirboy-cornholing epidemic broke last year, Law denied both prior "personal knowledge" of Geoghan's "propensity to harm children" and awareness of child molestation's recidivist nature: "Never was there an effort on my part to shift a problem from one place to the next.... I only wish that the knowledge we have today had been available to us earlier."

Law's saw-no-evil hindsight neglects a report on priest pedophilia issued to him in 1985, which concluded that there was "no hope at this time for a cure." Any lingering doubts should have been erased with the 1993 conviction of former Boston-area priest James Porter on 41 counts of child molestation, but Law chose to address that scandal by damning the journalists who uncovered it, proclaiming, "By all means we call down God's power on the media."

Law's legal maneuvers in the Geoghan suits have been even sleazier than Geoghan's dick. Covering his own ass with the hand that should have shielded the archdiocese's kids, the cardinal focused his efforts on sealing all church documents and accusing the underage victims of "comparative negligence," presumably for allowing themselves to be raped.

In January 2002, after the details of his neglect became irrefutable, Law half-apologized, hedging that his handling of Geoghan had been "tragically incorrect." Along with the wriggly mea culpa, Law pledged a zero-tolerance policy: To his knowledge, he vowed, there was no priest currently in the archdiocese "who is guilty of sexually abusing a minor."

A month later, the archdiocese sent prosecutors the names of 87 current and former priests accused of child abuse who, like Geoghan, had eluded Law's scrutiny.

Because of Law's breach of duty, hundreds of victims will be haunted for life. The Church has taken a huge financial blow in settlements, and an even bigger loss of trust. The cardinal's inaction has even made Geoghan, who suffers an incurable compulsion and was repeatedly thrust into temptation, an object of some misplaced sympathy.

Cardinal Law wishes to be counted among the aggrieved: "In your kindness, please pray also for me."

HUSTLER prays that Satan is engraving a name plaque to mark Law's special spot in Hell. Hades could always use another circle, even if it's the putrid shit-ring of a humongous Asshole.

FARTS IN THE WIND

Kenneth Lay: Lay, the recently resigned Enron CEO, allowed stockholders to be bilked with inflated profit reports. Worse, after being warned of impending accounting scandals last August, he dumped $101 million of his company's stock, but urged employees to buy up soon-to-plummet shares, touting them as an "incredible bargain." And Lay's tight-lipped Congressional appearance, after his wife's teary, televised plea of poverty, defies humanity. But Lay tops himself by putting a spiritual spin on his fraud. "I believe in God, and I believe in free markets," he opines. Lay is an Asshole of biblical proportions.

Becky Lynn Gritzke: HUSTLER applauds any coed who flashes her tits for a camera-toting Mardi Gras crowd. However, business major Becky is now suing a video company for sharing her public display with the rest of the world, claiming an invasion of privacy. Gritzke's ploy exposes the Asshole in her.

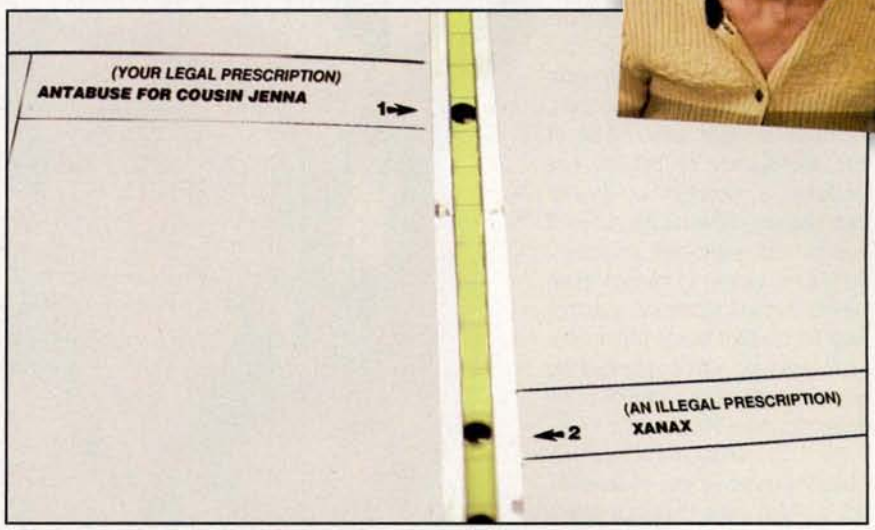
A HUSTLER Public Service Announcement

Free Bush

When Florida Governor Jeb Bush's daughter, Noelle, was charged with prescription fraud in late January, HUSTLER assumed the incident was another Bush family hazing. However, news of Noelle's script doctoring arrived concurrently with her Uncle George's $1.6-million Super Bowl XXXVI ads, which propagated the notion that substance abuse supports terrorism.

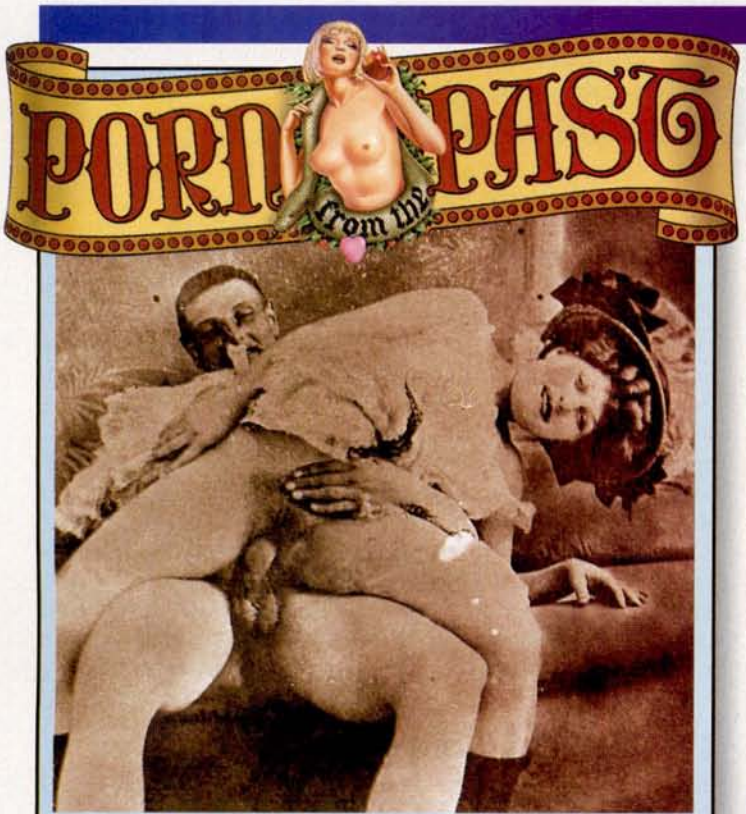
In an effort to clear at least one Bush of treason charges, HUSTLER investigated the allegations, and found that Noelle's drug bust was just a big misunderstanding. The native Floridian was given a "butterfly" prescription. Bush thought she was picking up her cousin Jenna's faith-based, character-educating Antabuse pills when, in fact, she mistakenly tried to purchase the evil, antianxiety med Xanax.

We hope this clears up any confusion. May God bless America, and its territories.



Noelle adds another criminal knot to the Bush family tree. *Florida is likely to do away with the infamous "butterfly" prescription when it no longer benefits Jeb Bush.*

SATIRE. NOT TO BE TAKEN SERIOUSLY OR AS EVIDENCE THAT NOELLE BUSH DIDN'T COMMIT A FELONY.



Incredibly fashion-conscious, this true-to-life "Gibson Girl" wore her Sunday best even in the bedroom, despite the fact that her hourglass figure would inevitably be turned upside down.

Z. K., of Washington, Pennsylvania, snatches $150 for this glimpse of Victorian vagina. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

Stuck on Strippers

I just read the Sex Play story "Save the Lap Dance for Me" by Erich Krauss (April 2002 HUSTLER). I don't know what clubs these guys are going to, but I've probably been to every strip joint in the Chicago area and have had no luck in nailing a dancer. Their response is always the same. They say, "Sorry, I don't date customers," or, "Sorry, I don't do customers." At which strip clubs are these lucky fellas finding their lovers? —K. T.

Not once did any of the stripper-lovers interviewed in the story mention being regular titty-bar patrons. The best way to date these emotional train wrecks is to meet them in the real world. Try your local methadone clinic or adult learning center.

Homogenized Hard-core

There are a few things that have been showing up in your magazine in recent months that I don't think should be there. First of all, there's been a lot of pissing going on. Please tell me who says that urination is the "in" thing. The picture of the guy taking it in the butt with a strap-on was totally unnecessary too. Finally, I don't see anything sexy about pussy lips that hang two inches from their owner's body. Where do you find all these freaks? This whole mess started with that picture of Gia (Gia: Portrait of a Lonely Lady, April 1999 HUSTLER). I'm still trying to block that image from my mind. My wife and I usually enjoy our subscription to HUSTLER, but we'd like to see more plain, normal boy/girl sex and less of the monster pussy lips, pissing, she-males and fags. —K. G.

HEIDI FLEISS SHEDS HER SIN

INTERVIEW BY **STEPHEN SONNEVELD**

Reformed "Hollywood Madam" and eternal businesswoman Heidi Fleiss sells us on the world's oldest profession, money lust, prison lesbianism and how pussy rules the world.

HUSTLER: *Tape's rolling, Heidi.*

HEIDI: *I always lose a little bit of personality when I know that recorder's on. It reminds me of my FBI interrogations.*

HUSTLER: *So what was that like, getting hauled off by the man?*

HEIDI: *Wait, wait, wait, one second, first. Now which issue? Will this be on, like, a cover plug?*

HUSTLER: *A cover plug?*

HEIDI: *Like on the cover will it say, "Interview With Heidi Fleiss," or whatever? Okay, cause I'll give you a good one if I get the cover stuff. You'll get better stuff from me. The more I get, the better you get.*

HUSTLER: *Are you bartering?*

HEIDI: *Right now, I'm bartering.*

HUSTLER: *Have you always bartered?*

HEIDI: *I guess I was cursed or blessed with a lot of business skills.*

HUSTLER: *Did you ever think you'd go into prostitution?*

HEIDI: *Never. I mean, growing up, I was always awkward. I didn't view myself as a sexual person at all. I was skinny and [had] braces, and at night I would cry and pray to God, "Why can't I have boobs like Dolly Parton? Why? Why, God, why?"*

HUSTLER: *So, what did you want to do growing up?*

HEIDI: *I never really knew what to do. But in school, I was always put in these gifted programs and advanced placement, even from elementary school. I was chess champion of the city, and things like that. By the time I was 13, put it this way, I ran my neighborhood. I was the number-one baby-sitter. I had girls working for me. Sometimes on a Friday night, I would have between ten and 25 parents call me for baby-sitters. And that's where I learned a lot about people and how they'll get along.*

HUSTLER: *So you were pimping baby-sitters?*

HEIDI: *I started baby-sitting myself, and then the word spread that I was good. And then I started making money from the girls and the parents for doing that.*

HUSTLER: *Maybe that's what you could do now. Run a baby-sitter escort service.*

HEIDI: *That's like going back to the womb. I could start at the beginning again.*

HUSTLER: *You mentioned something about the Saudi King on your DVD (Sex Tips With Heidi Fleiss and Victoria Sellers, available at www.laugh.com). Did you ever do any work for them, or filter them any girls?*

HEIDI: *When I had my business, I dealt with the richest people in the entire world. The one percent. I was lucky to have those connections. And they were all through my boyfriend, who passed on, Bernie Cornfeld. He was once the wealthiest man in the entire world, but now no one's even heard of him.*

HUSTLER: *How did a 19-year-old girl hook up with Bernie Cornfeld?*

HEIDI: *Have you heard of him?*

HUSTLER: *Uh, no. [Cornfeld (1928-1995) created the Investors Overseas Services mutual fund, which collapsed in 1970 under the helm of Robert Vesco, costing Bernie and investors millions. Cornfeld was acquitted of embezzlement in 1979.]*

HEIDI: *A friend of mine said, "I'll drive you home, but only if you come to this party." And the last thing I want to do is go to some party smelling like a sausage from waitressing all day. We headed over to this party in Beverly Hills, and I took one look at that house and, even though I stunk like a sausage, the first thing I said was, "Just show me who owns this house." And she pointed across the room to this little old man who looked like Santa Claus, and I thought in my head, I'm gonna live here, and life is gonna be easy street.*

HUSTLER: *So you were just enamored of the house?*

HEIDI: *When I was younger, my parents took us on these camping trips, and it was horrible.*

But also we stopped by Hearst Castle on one of these trips. I knew that was the way I wanted to live, not a fucking tent and a camping trip.

HUSTLER: So, you learned all of your life's lessons by default?

HEIDI: Yeah. It's a little embarrassing, but I guess inside I have a little bit of tree-hugger values. A lot of these values came through, and they worked in my sex business. I learned not to abuse women, not to put 'em in situations that could be dangerous, or compromising any way that they felt. A lot of these things that I learned made a lot of these billionaires that I dealt with very comfortable to talk with me. And also to make what they were doing [feel as though it wasn't] sleazy. I mean there is that element of hiring a prostitute or something that could make someone feel very sleazy, but it was the opposite with me. It made

them feel lucky, privileged, cool. People think it was just pussy for hire, and that's not true.

HUSTLER: Weren't these guys with wives and stuff at home though?

HEIDI: Some. It was like President Clinton. He didn't have time to meet anyone. He took what was available, the intern. Sometimes you've just got to take what's around you.

HUSTLER: Would you have hired Monica?

HEIDI: Uh, no.

HUSTLER: No? Why not?

HEIDI: Well, I would've in one situation, because once I had this guy request a fat girl. This was a very, very wealthy man. But it turned out he wanted the type of girl that you see on Oprah Winfrey crying because she weighs 800 pounds. So, yeah, Monica would've fit in [with] the big-butt guy.

HUSTLER: Or vice versa.

HEIDI: Yeah.

HUSTLER: You've said something to the effect that people put a law on women's pussies because pussy runs the world.

HEIDI: Why do men tell us if we can or can't have an abortion? Why is that even an issue? Why did the men say we can or can't sell [our pussies]? So a man and woman meet; they go have sex. If he leaves $100 on the table and walks out the door, that's illegal, but if he walks out leaving nothing, that's okay. The men made those rules, because they don't want women having control. They don't want women to say, "Uh-uh, you can't have that."

HUSTLER: So pussy is running the world?

HEIDI: Definitely. There's always a market for sex. It's on everyone's mind. Even religious people. And if they say it's not on their mind, they're lying.

HUSTLER: Look at Jim Bakker. It was on his mind.

HEIDI: Look at Ken Starr. You read that report, he looks like the creepiest pervert on Earth, not Bill Clinton. [Clinton] just got a little head, and was on his way. Ken Starr is the one asking these really weird questions.

HUSTLER: You don't agree with men putting a law on a woman's pussy, but you made a living putting a price on a woman's pussy.

HEIDI: Because I'm providing a service. These men, their money doesn't matter. They don't have time to meet [women]. They're calling me up; I'm doing all the grunt work. I'm making the women happy, I'm making the men happy, and I'm making myself happy.

HUSTLER: What's the most someone ever paid for you?

HEIDI: When I was a madam, I didn't mix at all.

"People think it was just pussy for hire, and that's not true."

HUSTLER: Were you ever a prostitute?

HEIDI: This is the way I'll answer that question: To really learn that business, you've got to get down in the trenches and learn it. Otherwise, you're not gonna know what's going on. You don't put someone at the head of any company, I don't care even if it's baking cookies, without learning how to mix the recipe, putting in the flour, the timing, tasting it.

HUSTLER: So you were in the trenches "baking cookies"?

HEIDI: I got down in the trenches, and I learned this business. I wanted to know what was going on, and how it worked, so I knew how to put it together right. Hey, is this a good enough interview? Can we finish? Wrap it?

HUSTLER: Are you feeling tired?

HEIDI: Not tired, but I got a couple things to do.

HUSTLER: What do you have to do?

HEIDI: I have a couple phone calls to return.

HUSTLER: Ah, phone calls. Let 'em wait. You're talking to me.

HEIDI: And I'm givin' you a good interview. You know I am.

HUSTLER: Are you still in contact with [onetime prison cellmate] Large Marge?

HEIDI: Oh, God, I want to erase that from my memory. I hope she doesn't show up on my doorstep with a machine gun one day.

HUSTLER: After three years of lesbian prison sex, did you learn anything new?

HEIDI: Well, the Large Marge chick, that was only at the prison camp. I was only there for a few months. Then I got transferred to a big prison, a hard-core prison where there's chicks there for life.

HUSTLER: With hard-core action?

HEIDI: Hard-core stuff going on. Before I got transferred there, I was in solitary confinement; so I had this little window I would look out, and I could see what was going on in the compound. I would see little groups of people and whatnot; so when I got out of solitary confinement, I went up to the prettiest girls. I gave myself three or four days to check people out, and I knew I was way out of my league. I would be outhustled and steamrolled there. I found the prettiest girl, and the smartest girl, and I said, "Hey, come move to my unit, and that'll be the best year of your life."

HUSTLER: So you pleasured her?

HEIDI: No, I didn't say that. I just said it like, "We'll have fun together." She had a 20-year sentence. Her name is Sylvia. She looked just like Jennifer Lopez.

HUSTLER: Not bad.

HEIDI: Not bad at all. And she's doing 20 years, the poor thing. Let me tell you, this is the smartest girl I ever met in my life. She taught me a lot of the things I was missing.

HUSTLER: Like what?

HEIDI: Compassion, wisdom, honesty. About not playing stupid games, about being sincere. For instance, in prison, I was always getting in trouble. I got picked on a lot by the guards. I always had extra duties, and I would think of ways to get out of them, and she'd say, "Heidi, you're spending more time trying to get out of it. Just go over there, get all those trash cans, and clean 'em all out. Do what you're supposed to do. Quit trying to pay someone to do it. Quit trying to do something else. You get down there and do it. And in fact, I'll go help you. Come on." She wanted to teach me things. You know what she said to me? This is really funny. She goes, "Heidi, as far as I'm concerned, if you're a—" she talked like this, 'cause she was in prison eight years then—"if you're a bitch, there's no reason you should be walking around without $5."

HUSTLER: (laughs) I don't get it.

HEIDI: If you're a girl—

HUSTLER: Uh-huh.

HEIDI: —and you have a pussy, there's always money available to you.

HUSTLER: But that's why you were in prison.

HEIDI: She meant it in a sense that there's a man out there who will buy you anything, not necessarily illegally.

HUSTLER: A Bernie Cornfeld?

HEIDI: Exactly. Or something of that nature. I'd like you to mention that if you order [the DVD] off www.laugh.com directly, you get a free autographed photo.

HUSTLER: Are you naked?

HEIDI: In the photo? No.

HUSTLER: Are you naked now? I am.

HEIDI: I know you're not. Actually, I am in my bed, and I only have on a G-string and a wife-beater. You gotta sleep in comfort. (She sniffles)

HUSTLER: Are you sick?

HEIDI: I have a little bit of a sore throat. I think that the worst part of it is coming.

HUSTLER: I hope you feel better.

HEIDI: I bounce back quick.

"HUSTLER remains the best damn magazine on store shelves. Your lezzie action sends my blood pressure through the roof."

(continued from page 13) *magazines, while still staying mainstream. There are people who enjoy ass-play, just as there are people who enjoy golden showers. We don't want to see the magazine overrun with homoerotic pictures, but it's nice to see something different now and then. Keep the fight alive.* —J. P.
via Internet

Support is growing for our brief flirtation with male butt-love. Rest assured, such homo-rific content will not be a regular fixture of HUSTLER. That said, America's Magazine will continue to arouse, surprise and astound its readers with never-before-seen hard-core content. You've been warned.

Gaga for Girl/Girl

HUSTLER remains the best damn magazine on store shelves. I enjoy every article, pictorial and parody that you guys pack into each pud-pounding issue. Out of all the shit that makes HUSTLER number one, I find the lesbian layouts most satisfying. The boy/girl pictorials work every time, but the mere fact that my girlfriend would never touch her own beaver, let alone another woman's, makes your girl/girl pictorials that much more appealing. Your lezzie action sends my blood pressure through the roof, and my cock follows close behind. On that note, can you suggest some excellent lesbo videos? —D. S.

Subscription Satisfaction

I'd like to congratulate HUSTLER on its well-deserved run of success. Your excellent quality and tendency to always be one step ahead of the curve aren't the only reasons that you consistently remain on top. Your company also displays a rare honesty and commitment to your customers. I've subscribed to lesser magazines that took my money, but never sent me a single issue. It's been a pleasure to do business with you. —S. W.

Brianna Loves Seamen

I am currently enlisted in the Navy and just ended a seven-month deployment, two months of which I spent in support of Operation Enduring Freedom, in the Arabian Sea on the USS Enterprise. I'm writing because it was hard to get HUSTLER while at sea. When I finally made it to port, I saw an issue of your magazine featuring Brianna Banks. How can I send fan mail to Brianna, and what other issues of HUSTLER has she been in? —P. H.

Gomer Does Tokyo

I'm a Marine stationed in Japan, where it's hard to get decent porn. The Japanese censorship board blurs out the smut, which totally sucks. I now realize how lucky I am to be an American. I'd love to subscribe to HUSTLER, but all the other jarheads around here would steal my issues; so I'll just make do with what I can scrounge up. —H. W.

Pink Pages?

I think that HUSTLER is the best adult magazine available. The girls are mouth-wateringly hot, the articles are unvarnished and straightforward, and the overall presentation is great. I have a constructive comment regarding your magazine. Why doesn't Erotic Entertainment print the addresses of the video companies whose movies are reviewed? —J. V.

via Internet

Space does not permit such information, and we're definitely not going to reduce the size of our hard-core pics to accommodate such data. *Erotic Entertainment* recommends contacting your local adult retailer or searching online if you're looking for a specific video.

Deep Damage

HUSTLER should publish an in-depth, medically oriented article on the dangers of deep-throating cock. This practice can do serious and permanent damage to the esophagus, larynx and the trachea. More violent throat fucking can cause subjects to aspirate on bile. It's only a matter of time before someone dies from an extreme bout of skull-fucking. Don't get me wrong, my husband and I love to watch a professionally performed, safe deep-throat. What concerns us is the "oral rape" perpetrated by the likes of Max Hardcore. People should know that such acts are dangerous and perhaps lethal. —C. H.

White Salmon, Washington

Thanks for the warning, C. H., but no one is ever harmed on our photo-shoots. All sex acts in HUSTLER are performed by trained professionals. That said, we still recommend trying them at home. They feel really fucking good.

Waiving the Flag

The absolute saturation of our country's visual landscape with the stars and stripes could be more problematic than we would like to acknowledge. On September 17, 2001, San Diego Padres first baseman Ryan Klesko hurt his back when he fell while unfurling an enormous American flag across the outfield of Dodger Stadium. What about all the flags waving precariously from the backs of pick-up trucks, RVs, SUVs and the like? How secure are their homemade mounts? What is to prevent them from coming undone, causing mayhem and pandemonium on our interstate highways? Is patriotism worth such needless suffering? —B. K.

via Internet

Fair-weather patriotism is more annoying than dangerous, B. K. Rooting for the winning team on Superbowl Sunday is a no-brainer. On the other hand, HUSTLER has always saluted those who boost, bolster and contribute to the greatness of our nation in original and constructive ways, even when the spotlight is off and the stands are empty.

Buckin' the Preacher

My husband, Charles, is a Methodist minister; I won't specify our city or state, as some members of his congregation feel that a clergyman should appear celibate, no matter what earthly pleasures his faith may allow him, or however leggy, busty, blue-eyed, blond and fuck-hungry his wife may be. But rest assured, very little of what is depicted in HUSTLER hasn't happened in every room of our home—often with a crucifix on the wall.

To the pastor, all manner of anal rimming, vaginal fisting, oral slurpings and airborne splooge are acceptable in Jesus' eyes. Married folk such as ourselves may commingle our flesh without sin; if I shout my savior's name when Charles fingers my G spot and laps at my clitoris until I think the Rapture is near, I'm not naming Him in vain, but singling the Lord out for praise.

We aren't vindictive in our craze for coitus. Still, when we host church events in our home, the pastor and I find secret joy in the knowledge that, among the dozens of prudish laypeople standing on our living-room carpet, many narrow-minded sexual philistines are stepping in dried juice from our energetic lovemaking.

Charles bought me a vibrator for Christmas, which we have named Daniel because, when my husband sticks the buzzing wand in my ass, he likens the procedure to the biblical hero entering the lions' den. I admit it: My twittering winker often does seem about to chew the plastic toy to pieces—especially when I bend over the recliner and the pastor does me doggy-style while my aching rectum drains the life from two C batteries.

There's a permanent stain on our brick fireplace's apron from the first time my man of God spilled seed in my skull while he plugged my remaining holes with Daniel and three fingers. Since that initial experience with female ejaculation, I find my pussy spewing at odd times, with no regard to the timing or intensity of my orgasm. This contradicts what I have read about the phenomenon; yet I believe in my heart that the stuff I spurt is quite unlike pee. Charles often frigs me until I lose control of my bladder; so we have had the two fluids on hand to compare on several occasions.

Sundays are special in our home. After services, the youth club sponsors a pancake brunch; the pastor and I take the leftovers home and work them into our sex play. For instance, I often sit on Charles's face while I yank his holy endowment with a buttered flapjack. The minister's spearing tongue probes my moist, pink pocket as I catch his creamy jets of goo with the rolled griddle cake and eat it. We jokingly call my Sunday slop-sandwich a "Methodist cannoli," after the Italian pastry that it resembles.

It troubles me that the pastor enjoys being struck with a riding crop while I stuff my foot, still in pantyhose, between his buttocks, but that, too, makes a joyful noise unto the Lord. I attribute this quirk of my husband's to either his divinity-school training, or our renting over the Internet too many DVDs that feature Rod Fontana. We view pornographic movies regularly. I admit some of the titles have themes that are inappropriate for godly couples; when we discover we have mistakenly picked a stinker, we turn the machine off as soon as possible.

While I reluctantly endure his odd passions, Charles throws his entire self into teasing my nipples, which I adore. I'm so sensitive on the tips of my chest that I have markedly different climaxes from being touched on the nerp by various parts of Charles's penis. I love his cock tip best for setting me off via the boob nubbin, but I also enjoy orgasming from a well-aimed wad of semen striking my milk spigots.

On many of our quiet evenings together, his good-sized choad parks on my chin for a thorough tongue bath.

Ever since I had *(continued on page 40)*

STOCKING STUFFER

PHOTOGRAPHY BY **MATTI KLATT**

Settling into her hotel room, Fjora unpacks all of her essentials. ***"My favorite leg warmers and my favorite pussy-warmer,"*** *she explains, moistening the dildo with pleasure-curled lips.* ***"When I don't have time to find a man, at least I know this little fella is waiting for me."*** *Fjora slides the toy over her white leggings.* ***"The friction makes it hot, like real, throbbing cock,"*** *the well-accessorized blonde purrs.* ***"Warm feet and spread cheeks; that's what this girl is made of."***

I sit on Charles's face while I yank his holy endowment with a flapjack. I catch his creamy jets of goo with the rolled griddle cake and eat it.

(continued from page 30) them pierced, my husband lavishes my breasts with affection. He bought two little crosses to hang from my nipple rings, and relishes my sucking either teat.

I think the sight of a crucifix being slurped up into my wet mouth, Jesus and all, has some religious connotation for Charles, but I'm too turned-on by tonguing my sensitive areolas to dope it out. He's so enamored of the act, which he calls "knocker communion," that I often don't perform it until his godly stem is deep in my pussy and I'm ready to make him come.

"Watch me suck on Christ," I wink, and, sure as sin, Charles will drive a dozen long spurts of cum into the furthermost reaches of his condom.

I smoke dick better than any of the Ladies' Club members, or so the other girls and I have concluded from comparing notes. My spouse agrees; on many of our quiet evenings together, his good-sized choad parks on my chin for a thorough tongue bath.

When Charles pulls away from a humjob to shoot scum into my corn-silk tresses, my husband carefully covers the twin crucifixes dangling from my hooters with his hands. He would feel awful if a stray glob of earthly pleasure struck Jesus; the pastor has no patience for desecration of religion.

I am continually surprised when TV, movies or even otherwise sensible publications such as HUSTLER portray men of the cloth as perverts or, worse, asexual beings. Very few Methodist clergymen are unmarried—the same goes for our growing number of female pastors. Like many a married person, I try to be discreet, but please understand that leading a flock doesn't preclude a shepherd from following his own urges. Not with the sheep, of course; with his wife.

Makin' Bacon

I manage what might charitably be referred to as a lively bar in San Francisco; so I'm used to seeing cops after midnight. San Fran has some female police officers who could beat a Rottweiler bare-handed—except in the arena of looks.

As she entered the bar with her partner after one recent brawl, there was no reason to believe Officer Alice Jilanov was straight and horny, but I knew right away she was different than her fellow patrolperson. Officer Alice was petite and had a womanly figure, as opposed to the typically oafish bulldogger who rode with her. While the sexy bacon bit's partner, Officer Cruikshank, stood in my face and heatedly advised me on the 86ing of my rowdier patrons, Alice was meekly escorting a loud miscreant to her cruiser.

Cops are supposed to have forceful demeanors when breaking up an altercation, and the dykes of the SFPD particularly relish bullying a 2 a.m. hellraiser into the squad car's backseat. Not so with this cutie in blue: Officer Jilanov held her nightstick awkwardly in one hand and gingerly gripped a mean drunk's elbow with the other. She couldn't open the cruiser door or manage to slip her baton back into her belt; so, after a moment's thought, the stumped looker carefully placed her club on the ground, opened the car, deposited her charge, shut the door and picked up the nightstick quickly, casting a nervous glance at her butch companion, who'd probably have given her hell for coming off like a timid little brunette instead of an iron-woman.

I felt a surge below the belt when Alice bent to retrieve her billy club. She caught me checking out her sweetly rounded ass; when I smiled past Cruikshank's red face at the pretty one, Jilanov flushed as deeply as her hollering partner.

I agreed with the apoplectic dyke that no, the constabulary isn't a taxi service for rowdy lushes, and, yes, fortune had smiled upon me and my boozed patron when the officers decided not to arrest anybody. Behind Cruikshank, Alice quietly asked to use the bathroom. I jumped at the chance to simultaneously usher the sexy peacekeeper to the shitter and duck her bellowing-moose companion.

Closing time had come by then—the place was dark, save the regular flashes of red and blue from outside. As soon as I'd walked the pert little badge-babe out of her partner's line of sight, she stuck her tongue in my ear.

"You like my ass?" Officer Alice whispered. "You want to spike my shithole?"

The small hand of the law clawed at the bulge in my cargo pants. Surprised as I was by her sudden carnality, I still managed to grunt affirmatively. I felt cold metal against my palm—she was pressing her bull's bracelets (continued on page 51)

Ass Worship

Directed by Jules Jordan.
Starring Bella Donna, Kaylee, Jade Marcela, Sandy Knight, Jewel De'Nyle, Mark Woods, Jules Jordan, Eric Everhard and Lexington Steele.
DVD: Evil Angel Video.

According to King James, our creator said, "Thou shalt have no other gods before me." Jules Jordan's *Ass Worship* breaches the good Lord's First Commandment by way of its starlets' bowels. Camera in hand, the intrepid sinner kneels before the flesh-cushioned altar of Bella Donna. The ass idol spreads her golden cheeks, gracing the lens with an intimate look at her heavenly sphincters. Jordan makes multiple offerings to the brown-eyed deity. First, a butt plug is guided into the chosen one's hallowed walls. Next, a ribbed dildo and a series of oversized anal beads, both anointed with oils and balms, are fed to the hungry god. According to the scriptures, only flesh can truly satisfy. Jordan bravely throws his bone into Bella Donna's fiery anal depths. A mantralike skewering of the all-powerful shitter ends with Jordan bestowing his seed upon Bella Donna's face, consecrating her visage with a mess of cream. Heed our word; make *Ass Worship* a stroking ritual. **—Nicholas Veridian**

Quasarman: *"So, Holly, what are your qualifications?"*

One classy calling card.

Scoping for Beaver

Booking a Porn Shoot *at the AVN Adult Expo*

To the average pervert, the annual AVN Adult Expo is a hard-core wonderland. For smut producer Mike Adams, the event is just another day at work. His chore this year was to book the talent for Metro productions *Eager Beavers #4* and *Finally Legal #3. Erotic Entertainment* followed Adams and directing partner Quasarman as they tracked down their XXX talent.

11:30 a.m.: Adams and Quasarman arrive at the Sands Expo center. After a quick look at the assorted XXX bottom-feeders dazedly roaming the floor, Adams takes a break by the concession stand. "There's nothing in here. I'd have a better time booking a hotdog."

12:10 p.m.: Hobbitlike talent agent Mark Spiegler introduces long-haired Euro-dude Alex Rox. Adams books his first star by penciling the stud's name into his schedule (read: crumpled sheet of notebook paper). Spiegler promises to deliver primo pussy. Adams secretly contemplates changing his vid to a gay, solo-masturbation effort and calling it a day.

12:30 p.m.: Adams approaches April, who is signing autographs at Metro's booth. "The boss said to take care of the girls who are helping out," Adams confides. He describes the *Eager Beavers #4* scene to April as a "quick, in/out girl/girl." The hottie replies, "Goody. Who do I get to work with? Holly Hollywood?"

12:32 p.m.: Nearby, Holly Hollywood seems equally excited, jumping up and down chanting, "Yum! Yum!" in anticipation of their scene. Conventioneers close in to ogle Hollywood's bobbing tits.

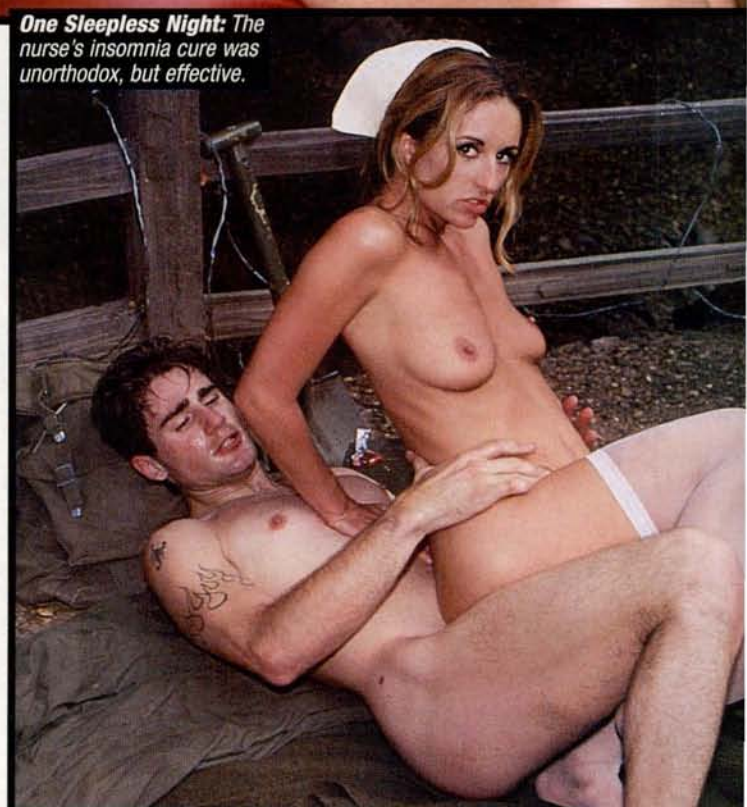
12:45 p.m.: Adams queries Latina cutie Lola, who expresses interest in paid sex. Cash-for-gash Inari Vachs says she'd be glad to do the shoot, "provided [Metro's accountants] don't forget to put the check request through and take two months to pay me." Adams sighs; will these prima donnas' demands never cease?

1:04 p.m.: The pair makes another desperate lap around the convention floor. "There's nothing but skanks!" an exasperated Adams crows. Quasarman messages Spiegler with a cellular SOS. Spiegler responds instantly: "The cunt parade is en route."

1:06 p.m.: Spiegler leads a gaggle of Eurosluts to the Metro booth. Familiar slits Layla Jade and Flick Shagwell are accompanied by newer (but not necessarily prettier) faces Donna Marie, Stephie, Angelea Long and Majella. "It's kind of hard, because I don't want to hurt the girls' feelings," the producer allows, edging away from the more road-worn trollops.

By show's close, only two slots remain unfilled. Adams finds the remaining screen chippies at porn talent agency World Modeling. The easiest girl to hire is Jade Marcela. "I had to book my girlfriend," Adams admits, quickly adding, "it's a girl/girl scene, of course."

Chloe's Place: *The best happy hour in town.*



One Sleepless Night: *The nurse's insomnia cure was unorthodox, but effective.*

Chasin' Pink #5: *Pink or brown? So many choices.*

Cum Drippers: *"Come wherever you want; just keep it away from my new blouse."*

One Sleepless Night

Directed by Jonathan Morgan.
Starring Kylie Ireland, Joelean, Terra Part, Calli Cox, Kianna, Cherie, Brad Armstrong, Joel Lawrence, Pat Myne, Lee Stone, Kyle Stone and Jason McCain.
Videocassette: Wicked Pictures.

Kylie Ireland is a horny insomniac in *One Sleepless Night*. When the venerable jizz-diva plants herself in front of the idiot box for a marathon of midnight movies, her hard-core dreams take on the characteristics of the Z-grade Westerns and slasher flicks that fill the airwaves. In a lawless frontier town, Kylie is double-teamed by gun-slingers White Willie and Johnny Ringo. Sporting red tresses, Ireland looks like Dana Delaney. Unlike the *China Beach* star, Kylie can be counted on to catch double facials and offer her ass for plunder at a moment's notice. Even if she no longer sports the fresh-flesh appeal of younger starlets, the new breed could learn a lot from the veteran slut's appetite for fucking. Jonathan Morgan's overlong spoofs of martial-arts flicks and caveman epics, however, guarantee that *One Sleepless Night* won't be keeping many perverts up late.

—Clive Thurstwood

Chloe's Place

Directed by Jim Malibu.
Starring Chloe, Justine Romee, Sierra, Kelsey, Steve Hatcher, Ian Daniels, Kyle Stone, Sergio Saurez, Chris Cannon and Guy DiSilva.
Videocassette: VCA Pictures.

When a slut-infested watering hole called *Chloe's Place* is scheduled for demolition, whores come out of the woodwork to fuck and suck things straight. This childishly simple storyline of a doomed landmark and its last-minute salvation thanks to the hard work of several plucky babes would be unforgivable if it weren't fleshed out by seven hard-core scenes. While delivering an abundance of fucking, this flick is oddly restrained. Chloe, as the bar owner, partakes in several ruts, but holds back her signature moans. Moreover, the rectal luminary doesn't take a single prick in the ass. The starlet writhes and furrows her brow as Chris Cannon plows her cunt and spatters her face with jizz. Supporting trollops Justine Romee and Sierra deliver the only outstanding scene. The rest of *Chloe's Place* is watered-down, low-rent XXX. ***—N. V.***

Chasin' Pink #5

Directed by Robby D.
Starring Chasey Lain, Jezebelle Bond, Dominica Leoni, Tanya Danielle, Raylene, Daisy Chain, Niki Talon and Kianna.
Videocassette: Vivid Raw.

Ending a three-year hiatus from the blue screen, Chasey Lain marks her return to sleaze with *Chasin' Pink #5*. Although the box cover proclaims, "It's just like old times!" there's nary a dick in the vicinity of any of Chasey's holes. However, the gorgeous star contributes three slit-tickling scenes to this all-girl romp to compensate for her cock-wary ways. Looking a little leaner than in her previous XXX stint, Chasey is slow to find her rug-munching groove, but stunning playthings Kianna, Tanya Danielle and Daisy Chain help the blue-eyed goddess rediscover her taste for twat. Director Robby D. indulges too much in artsy-fartsy slow motion, but this well-shot lesbo frolic catches all of its ladies looking their best. Outstanding work by Jezebelle Bond and Raylene (who demonstrates the best pussy-eating in the vid) fills out the tape and makes *Chasin' Pink #5* a worthwhile pursuit. ***—C. T.***

Cum Drippers

Directed by Vince Vouyer.
Starring Desert Rose, Joelean, Cherry Rose, April Blossom, Faith, Nyomi Arman, Mario, Mark Davis, Joel Lawrence and Christian.
Videocassette: Red Light District.

Cum Drippers is nearly indistinguishable from director Vince Vouyer's other internal pop-shots line, *Internally Yours*. Both series stick to an identical formula. The gash introduces herself: "Hi, I'm Desert Rose, and this is my 18-year-old cum-dripper." Next, the sperm-pot is interviewed while she regurgitates phony come-ons. "My favorite thing about when a guy comes inside me is when our juices mix together and I can taste him," Faith purrs. Finally, the tramp is poked, plugged and pumped full of cum. Joelean, a 26-year-old hardbody with multiple cunt piercings, takes a fierce schtupping. Her fuckmate pounds her twat, flipping the bitch every which way before puking his steaming seed into her gasping clam. Joelean scoops the dripping load out of her pocket and tastes the salty deposit. *Cum Drippers* may be a new line, but it has the same nasty aftertaste Vouyer's been spurting for a while. ***—N. V.***

Devil Girl #2: *Father Karras's last-ditch exorcism technique.*

Cumback Pussy #47: *Starla Fox sucks up to her man.*

Devil Girl #2

Directed by Jerome Tanner.
Starring Jody Moore, Hannah Harper, Gwen Summers, Zana, Hunter Scott, Dillion Day, Joel Lawrence, Dale D'Bone, Marty Romano, Brian Surewood, Frank Bukkwyd and George Kaplan.
Videocassette: Legend Video.

When *Devil Girl #2*'s star Gwen Summers wanders into the epicenter of a riotous Puerto Rican Day parade and emerges with her virginity intact, the media circus surrounding the miraculous event makes her the target of a nefarious cult. Greasy, satanic mook Joel Lawrence assails Gwen, but the innocent vixen is defended by blond fuck warrior Hanna Harper, who renders Lawrence harmless by forcing his cock into her tight shitpipe. It turns out that the magically pure Gwen is the result of a technically virgin birth, since her disco-dancing parents Zana and Dale D'Bone exclusively practiced anal and oral sex as a form of birth control. While the video features decent ruts from Jody Moore and Hunter Scott, along with lots of goofily tasteless jokes, it is ultimately Gwen's rod-swelling transformation from angelic prude to cock-starved banshee that earns *Devil Girl #2* its horns. **—C. T.**

Cumback Pussy #47

Directed by Dion Giarrusso.
Starring Nikita Denise, Starla Fox, Jessica, Amber Sunset, Sabrina Johnson, Catalina, K-K, T. T. Boy, Tice Bune, Mark Davis and Lexington Steele.
Videocassette: Elegant Angel.

Cumback Pussy #47 may be the latest installment of a smut line so old that it has gray cunt whiskers, but the venerable gonzo still shaves up nicely. Professional copulators Nikita Denise and Mark Davis kick off the edition with an expert screw, boning with the ease and pleasure of people who love their work. The throaty Russian minx inhales the Brit's prick, nuzzling her nose against his abdomen. Davis hunkers down and energetically slurps Nikita's fish-hole before cramming his untrimmed schlong into her gaping red menace. Later, Lexington Steele splits 18-year-old Amber Sunset with his towering black oak. All baby fat and braces, the amicable nubile takes on Steele's trunk like a trouper, then catches the stud's sap on her glasses. Other by-the-numbers screws drag the peppier scenes down, but for an old dog, *Cumback Pussy #47* still turns some new tricks. **—N. V.**

Young and Anal #24

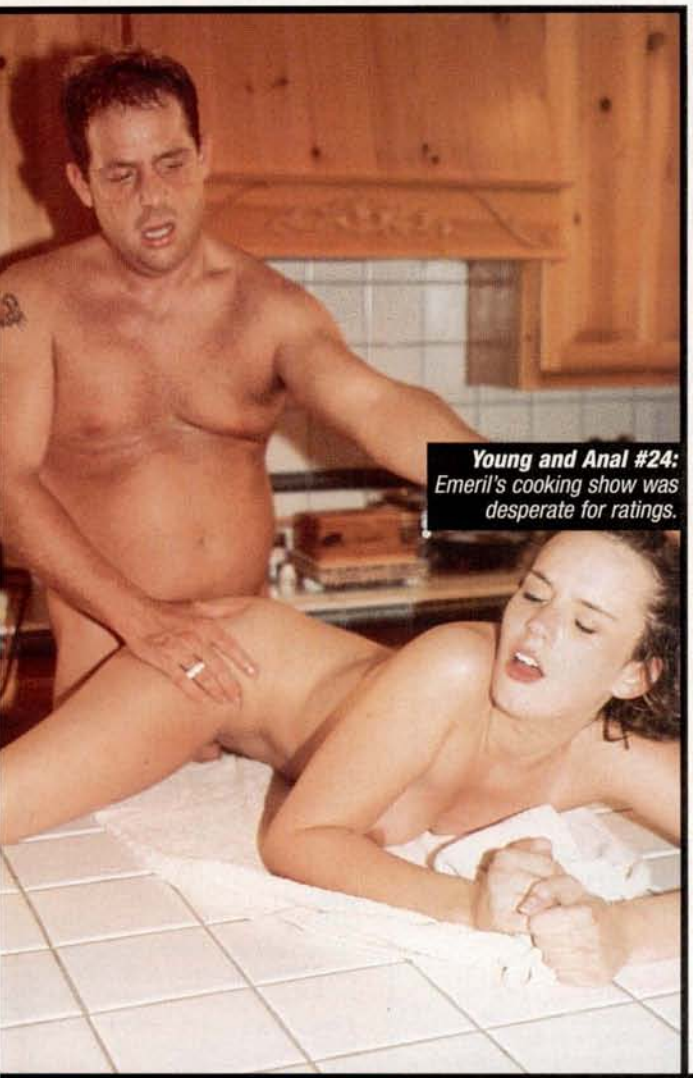
Directed by Jim Powers.
Starring Kimmy, Jesse J., Molly McGwire, Catalina, Brian Surewood, Don Hollywood, Mr. Pete, Rafe, Marc Cummings, Niko Night and Rick Masters.
Videocassette: J.M. Productions.

Young and Anal #24 sticks to a simple formula: Keep the girls young, dumb and raw of bum. No starlet embodies these traits better than Catalina, who is subjected to a memorable reaming in the opening vignette. Selling magazine subscriptions door-to-door to save up for her education, Catalina encounters Brian Surewood and his cronies. When the three mooks whip out their wands without warning, Catalina reflexively sucks their cocks. Her vacant stare is almost touching as she submits to vicious double penetrations and sandwich fucks. The multitalented ingenue also demonstrates how she can fit her entire fist in her mouth, prompting Surewood to force his prong into her yap as well and command Catalina to "Jerk me off in your mouth!" None of the other scenes quite match *Young and Anal #24*'s first segment, but fans of plundered mud chutes won't be disappointed. **—C. T.**

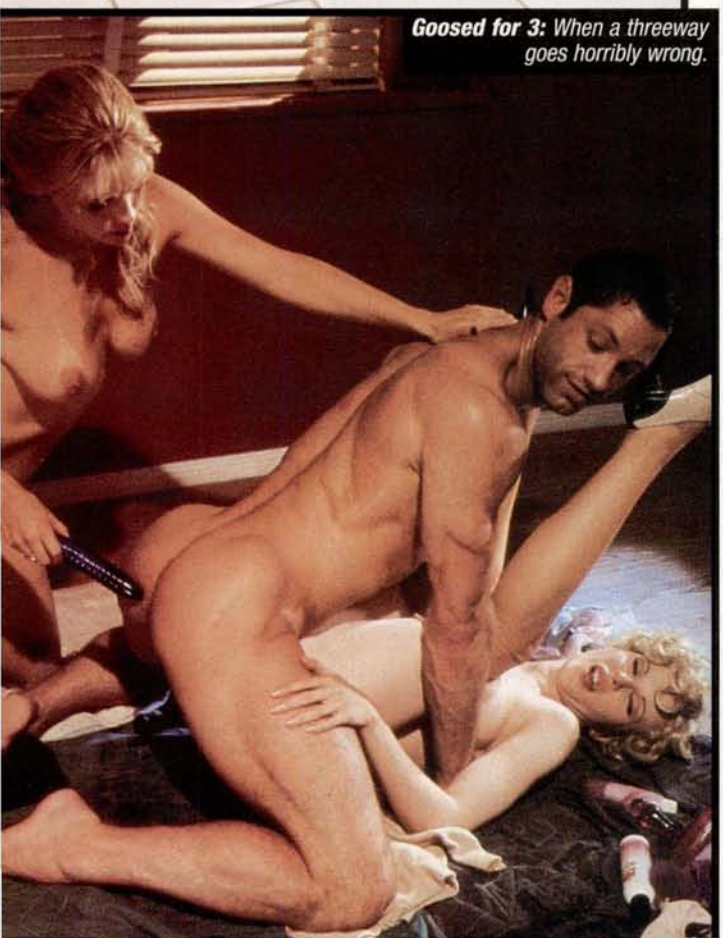
Goosed for 3

Directed by Tina Tyler.
Starring Keri Windsor, Asia Carrera, Shanna McCullough, Dru Berrymoore, Tina Tyler, Nina Hartley, Pepper, Mike Harper, Matt Bradshaw, Tuck Johnson, Hans Ebson, Jacob Hayes and Brady Martin.
Videocassette: Stable/International Media Distributors.

Bisexuality is a double-edged concept. A switch-hitting babe is a gift from the gods; an AC/DC dude is merely a fag without conviction. *Goosed for 3* explores every permutation of the threesome, often to exceedingly fruity ends. Keri Windsor and her hubby play married squares new to Toyland. Tina Tyler, a slutty real-estate agent, makes her space available for the pair, coupling with Windsor while the husband watches. Soon, the prick joins in, sliding his beam into Tina's crawlspace while Windsor offers oral stimulation from the basement. For the staunch heterosexual, things go horribly wrong when Windsor lubes up a dildo and pounds her husband's shitter. The bicurious, morbidly fascinated or otherwise limp-wristed may find pleasure in the reams of intense faggotry that follow, but *Goosed for 3* causes nothing short of agonizing abdominal cramps for the straight stroker. **—N. V.**



Young and Anal #24: *Emeril's cooking show was desperate for ratings.*



Goosed for 3: *When a threeway goes horribly wrong.*

Pimpin' at the AVN Awards

Snoop Dogg and HUSTLER Video Wow Vegas

HUSTLER Video scored again at this year's AVN Awards. The ceremony, held Friday, January 11, in Las Vegas's swank Venetian Hotel and Casino, proved to be HUSTLER Video's most successful since its foray into the XXX video market in October 1998. The video arm of Larry Flynt's media empire earned four of the coveted trophies, with Kris Kramski's slick, stylish *Porno Vision* taking home prizes for Best All-Sex Film and Best All-Sex DVD.

The biggest coup of the evening came when HUSTLER snagged the honors for Best Music and Top Selling Tape of 2001 for *Snoop Dogg's Doggystyle*. True to form, the platinum-selling rap star approached the podium flanked by an entourage to accept his award. "I want to thank HUSTLER for giving me and my man Michael Martin [*Doggystyle* director] the opportunity representing what we represent," Snoop said. "I want to thank y'all for accepting me in y'all's world. And now I'm gonna come back with some more. Believe that."

Kick Ass Pictures, a high-quality smut imprint distributed by HUSTLER Video, iced the cake by grabbing another four nods. Latin line *Chica Boom* took Best Ethnic-Themed Series. BARELY LEGAL compatriot *Grrl Power!* snagged Best Vignette Series, while *Grrl Power! #5* took honors for Best Vignette Tape. The foot-themed *Barefoot Confidential #13* was lauded as the Best Specialty Tape, Other Genre.

In addition to making HUSTLER Video's suitcases a little heavier for the return trip, the award ceremony and accompanying AVN Adult Expo showcased the company's growth. "What we want people to know is that our flagship line, BARELY LEGAL, is only the beginning," says HUSTLER Video Director of Promotions and Marketing, Lewis Adams. With the Expo-coordinated unveiling of new lines BLACK & WILD, HUSTLER'S REAL COLLEGE GIRLS, PRECIOUS PINK, SUPERFUCKERS and ANAL INTENSIVE, as well as the continued popularity of HUSTLER XXX, BARELY LEGAL, MR. BEAVER CHECKS IN, HIGH OCTANE and HUSTLER PLATINUM, hopes are high for next year's AVN Awards. "We're gonna kick more ass in 2003," says Adams.

Ember *rocks out.*

Shane's World #29: *"This is almost as good as our frat's annual circle-jerk!"*

Virgin Pink #11: *"Hang on, honey, I think the barbecue needs tendin'."*

Lower Extremities #2: *"Is this why they call them the 'balls' of your feet?"*

Virgin Pink #11

Directed by Angel Cummings.
Starring Luisa, Misty Winters, Payton, Angel Cummings, Alley, Cici Love, Zack Miles, Tra Brown and Danny Love.
Videocassette: Metro Inc./Toxxxic Entertainment.

The haggard swingers of *Virgin Pink #11* appear to be anything but unspoiled. Looking like an ex-roadie for Skid Row, Zack Miles defiles semi-cute, blond harlot Luisa in the opening scene. Zack's grubby paws stretch Luisa's gash to its limits. Luisa seems to be moaning ecstatically throughout her digital ravishing, but it's hard to tell, since the audio on this zero-budget production is entirely obscured by what sounds like a dentist's drill perpetually running just off-camera. Director Angel Cummings makes her cameo in a queasy lezfest with Delta Burke stand-in Payton, subjecting the zaftig tramp to a speculum and a series of other penetrating toys. Most vexingly, poor picture quality even negates the work of its most photogenic starlet, Misty Winters. Strokers should practice abstinence from *Virgin Pink #11*. **—C. T.**

Shane's World #29

Directed by Camera Guy.
Starring Calli Cox, Sunrise Adams, Venus, Bobby Barrington, Tony Pounds and Tyler Wood.
Videocassette: New Sensations.

As part of a *Shane's World #29* scavenger hunt, two teams of sluts ride their Humvee limo to a local frat row and dole out handjobs, blowjobs and hickeys to undeserving, trust-fund mooks. Never mind the fact that these ball-cap-wearing bozos have already spent their parents' money to be part of a culture that practically guarantees them endless sexual favors from sorority girls. It's bad enough that Venus and Sunrise Adams beg these future captains of industry to shove their pricks in their mouths and come all over their faces, but the whorish duo thanks them afterward for the opportunity. Anti-frat grudges aside, most of this flick's hardcore comes from five barely related sex scenes intercut with the action, which falls short of the series' reality-porn roots. *Shane's World #29* should have pleasured more hardworking geeks and avoided spoiled Greeks. **—N. V.**

Lower Extremities #2

Directed by Rod Fontana.
Starring Hunter Scott, Angelica Sin, Kianna, Veronica Caine, Friday, Liza Harper, Valentino, Mr. Pete, T. J. Cummings and Rod Fontana.
Videocassette: Extreme Associates.

After eons of bloody conflict, foot fetishists and big-bust connoisseurs can peacefully coexist, thanks to the release of *Lower Extremities #2*. Although nominally a pageant of toe-sucking, every wench onscreen (with the exception of Liza Harper) boasts massively inflated chest sacks. Commencing with director Rod Fontana's autobiographical story of a wealthy older woman who nails the pool boy, the tape is full of sploogebasted peds, foot-jobs and shrimping. Among the highlights is Fontana's threesome with Kianna and Angelica Sin. The two tit queens squeal with glee as their pedicures are ruined with a coat of spuzz from the director's grizzled hose. Roly-poly horndog Friday enjoys an extended session of foot worship in an empty movie theater before a furious D.P. leaves her second stinkiest anatomical feature raw. The more debased it becomes, the higher *Lower Extremities #2* scores. **—C. T.**

Alice's curvy, petite limbs twitched like a frog on a dissecting table as her innards churned, milking the last drop of jizz from my sated member.

(continued from page 40) into my hand.

"Cuff me," Alice panted. "We have to hurry!"

With a crash, the officer's gun belt and pants struck the floor, her nightstick clattering out of its leather loop. A cloud of female musk enveloped me as I chained the steaming flatfoot's slender wrists together. My baton was as rigid as hers, and much easier to wield effectively. I bumped my prod against her tush in the dark until it was seated between her mud flaps, its weeping tip pulsing against a dry, scratchy bunghole.

Jilanov's shackled mitts fondled my scrotum as I hawked a gob of spit, which missed her tight anus entirely in the dark and struck the wood floor with a *splat*.

"Move it!" the officer hissed.

Eager to festoon the recesses of Alice's crap-chute with spoo, I pulled my schwanz away and, pressing my facial cheeks to her gluteal jowls, drooled a stream of homegrown lube onto her sphincters. After I massaged the phlegmy compound into her puckered loaf-pincher with my pud, it took a few urgent thrusts to grind my pile-driver up her colon. The cuffed piglet stuttered and jiggled on my shaft, her soft ass-globes smacking into my pelvis on the down stroke.

"Qu-quick!" the lascivious patroller chirped. "B-before my p-partner finds us!"

As she neared her climax, Officer Jilanov flailed her bound wrists between our legs, apparently getting off on the struggle against her own bracelets. I pushed my pig-sticker deep into her lower alimentary canal, grabbed the girl-cop's nightstick and placed it between the backs of her hands.

Cuffs and all, Alice handled the billy club more expertly than when her movements hadn't been constrained. As my dick prepared a spillage, the pert policewoman managed to gently diddle her clit with her bludgeon and push back into the anal pounding I was delivering.

The outer edges of Jilanov's stretched pooper were drying out. Each thrust grabbed the base of my pole more firmly, until my wood was yanking her crap-hatch back and forth rather than plunging in and out.

When I came, my ball grease eased the friction seal we'd created, allowing my cock to piston freely as I continued to blow curd up her colon. Alice strummed her clit to a rousing climax with her nightstick. "I-I'm c-coming!" the quivering, ass-reamed beauty shouted, as if I couldn't tell. Her curvy, petite limbs twitched like a frog on a dissecting table as her innards churned, milking the last drop of jizz from my sated member.

"Freeze!"

I saw Cruikshank silhouetted in the doorway, her weapon drawn and aimed at us. We both complied as best we could, but Officer Jilanov shuddered involuntarily a few times, causing my utterly flaccid johnson to flop out of her anus.

The beefy cop found the lights and lowered her weapon. I saw tears in her eyes. "Alice," she huffed, "how *could* you?"

"It was easy," Jilanov said, as I hastily uncuffed the policewoman and zipped up. I didn't understand what was between them. Maybe Cruikshank had an unrequited crush on Jilanov, or maybe I'd come between two longtime companions. Perhaps Cruikshank thought bondage and cornholing were unbecoming of an officer of the law. I only know that, the next time somebody called the cops after midnight, the big dyke had another policewoman riding shotgun in the cruiser, and I thought it wisest not to ask questions.

Whore-Moan Therapy

I stock the pharmacy at a university hospital. It's a good, union job, plus I can sample all the prescription drugs I like. Andro-Gynol, a testosterone-replacement gel practically guaranteed to grow gonads on a cue ball, is supposed to be only for guys whose natural dose of maleness is questionable. I'm no pantywaist, but this past week I used it myself. What can I say? The shit works.

There's a good-sized brothel not far from where I work. The man who runs the place, Big Stu, was paying me a fair wage to swipe a case of the hormone stuff for his limpest customers. Full service like that lets the hometown pimp make half of his income from return business.

Never one to distribute an untested drug, Stu asked me to demonstrate its effects in exchange for a humjob from Adrienne, a bouncy, freckled 19-year-old. The nubile (continued on page 104)

Jeanna Fine Tells the Fucking Truth

Bald for Good

My wife is looking for a permanent pube-removal solution, but is too embarrassed to have a doctor pluck her snatch. Can you recommend an at-home device or procedure that will do the job once and for all? —P. M.
Las Vegas, Nevada

None of the creams or machines on TV are going to deliver what your wife is looking for. Like it or not, only a licensed cosmetologist will be able to rid your wife of her pesky pubes. If she truly wants to eradicate her muff, she'll ditch her modesty and make an appointment with a professional. Compared to a Pap smear, this procedure is a piece of cake.

Hard Up

I'm 28, have three kids and am married to a drunk who can't hold a job. I've started working as an escort in order to feed and clothe my children. I know that I'm not hot enough for the porn industry, but my friend says that I could pull in some extra cash making amateur fuck tapes. Would this be a good career move? —D. S.
Mooresville, Missouri

Think about how your line of work might affect your family. Will your husband respond angrily or even violently? Will your children be able to handle knowing what their mother does to bring home the bacon? No matter how hard you try to shelter them, your loved ones will find out. Welfare may carry a stigma, but your taboo career choices can be a greater source of grief to you and your loved ones.

Orifice of the Month

My husband is obsessed with anal sex. He clips articles from magazines touting the benefits of ass-sex and tapes them to the refrigerator. Every week he pleads with me to let him shove his prick in my shitter. I finally agreed to let him sodomize me, so long as I could do the same to him with a strap-on. He flew off the handle without ever hopping on and hasn't brought up the subject again. Where does this single-minded butt-sex bent come from, and why did he freak out when I suggested mutual buggering? Do you think he was ass-raped as a kid? —D. O.
Amarillo, Texas

Ass cravings are often fueled by porn's penchant for making everyday fuckers feel left out. Your husband's refusal to experiment with sodomy stems from the same healthy fear of sticking things where they don't belong that you display, not past abuse. The fact that neither of you long to have objects crammed into your anal cavities is nothing to be embarrassed about. Stick to standard coupling and leave the bunghole antics to more adventurous horndogs.

Sealing the Deal

I've had my eye on a certain hottie for some time. I've known her for almost two years, but we've only recently started spending time together. It's obvious that she likes hanging out with me, but I'm not sure if she wants me to make a move. We have a date-like evening planned, and I'd like to try something, but don't want to come off awkwardly. I had the opportunity to bang one of her friends a year ago, but fucked everything up by not knowing what to do. I'm still a virgin, and would hate to miss out on the opportunity to bang this one. —A. C.
via Internet

Inexperienced guys intent on wetting their dick sweat their way through dates and usually wind up in an empty bed. Make yourself available, take it easy and let the pussy come to you. If this girl's into you, she'll probably be glad to make your first screw a great one. If she's not responsive, find a girl who is.

Secret Love Child

My wife and I have been friends with another couple since kindergarten. I dated my buddy's wife a couple times before any of us were married. One recent weekend we all went out drinking and got totally ripped. I hooked up with her again and fucked her that night. The sex was so good that we started an affair. Now she's pregnant and is sure that I knocked her up. She has decided not to tell her husband. Should I just go on with my life, or try to claim my child? —W. M.
Kansas City, Missouri

Congratulations, you've traded a night of pleasure for a lifetime of headaches. Do nothing, or risk making things worse. Standing up now could break up both marriages, and your progeny will have to grow up in the aftermath. Be a good "uncle" to the tot and steer away from extramarital sex.

Tranny Checklist

I hooked up with a smoking Latin chick last weekend. The next day at work, all the guys made fun of me. They said that the babe I nailed all

Dear Slut

A pretty face covered in nut butter can be aesthetically pleasing. Hold your head high and help your boyfriends make art in the sack.

weekend long was a transsexual. I fucked and sucked that pussy in broad daylight, and it didn't look the least bit fake. I don't regret the session at all, but all the ribbing still makes me feel insecure. Are there any telltale signs that the cunt you're banging belongs to a man? —F. B.
Fargo, North Dakota

The pussy makes the woman. Ask your dick how the cunt felt and stop putting so much credence in what your cronies think. Recent advances make the old telltale tranny signs nearly obsolete. Adam's apples can be surgically shaved down, and "man hands" were never a surefire indicator to begin with. As long as there wasn't a second boner in the mix, I wouldn't worry.

Molestation Makes Sluts?

There's this asshole at my local bar who takes great pleasure in bleeding the fun out of everything. He claims that 99% of sex workers (porn stars, prostitutes and strippers) were sexually abused as children. Is this boner-melting fact true, or just a figment of his gin-soaked imagination? —W. D.
Boston, Massachusetts

While there are no figures regarding the porn and stripping industries, studies show that 95% of teenage prostitutes were once sexually abused. That said, it's believed that there are 60 million survivors of childhood sexual abuse in America today. The sad truth is that this particular social ill affects people in every line of work.

Slap Happy

My girlfriend loves it when I smack her ass while we fuck. She always comes twice as hard and twice as fast when I whip her booty raw. Does this added pleasure come from the actual physical contact, or does my girl have a fetish for butt punishment? —O. W.
Groverville, New Jersey

Don't ruin things by looking this gift ass in the mouth. It's possible that your girl derives pleasure from the vibrations that ripple to her clit, or the heightened sensitivity she gains when blood rushes to her throbbing ass. That, or she's just a bad little girl who wants Daddy to spank the living shit out of her. Either way, give her a hand.

Twelve Smutty Steps

I think I'm hooked on porn. I compulsively buy XXX materials, whack off to them, then guiltily throw them away. This is an expensive, mentally draining cycle that I'd like to break free from. Is there such a thing as Porn Addicts Anonymous? —H. H.
Nashville, Tennessee

There are many groups that offer help to those "hooked" on porn. Choose carefully though. Some organizations help cure all kinds of sexual addiction, while others hide right-wing, Christian agendas. Try working one-on-one with a shrink. You may find that guilt, not porn, is your real problem.

Facing Facts

The girls in my book club want to know: What's the appeal of a facial? We've watched tons of porn, and still can't figure out why men put so much value in frosting girls' mugs. Help us understand our lovers and husbands so we can give them what they want. —R. K.
Portland, Oregon

Flip through the magazine you're currently holding with an open mind. You'll find that, power issues aside, a pretty face covered in nut butter can be aesthetically pleasing. Hold your head high and help your husbands and boyfriends make art in the sack.

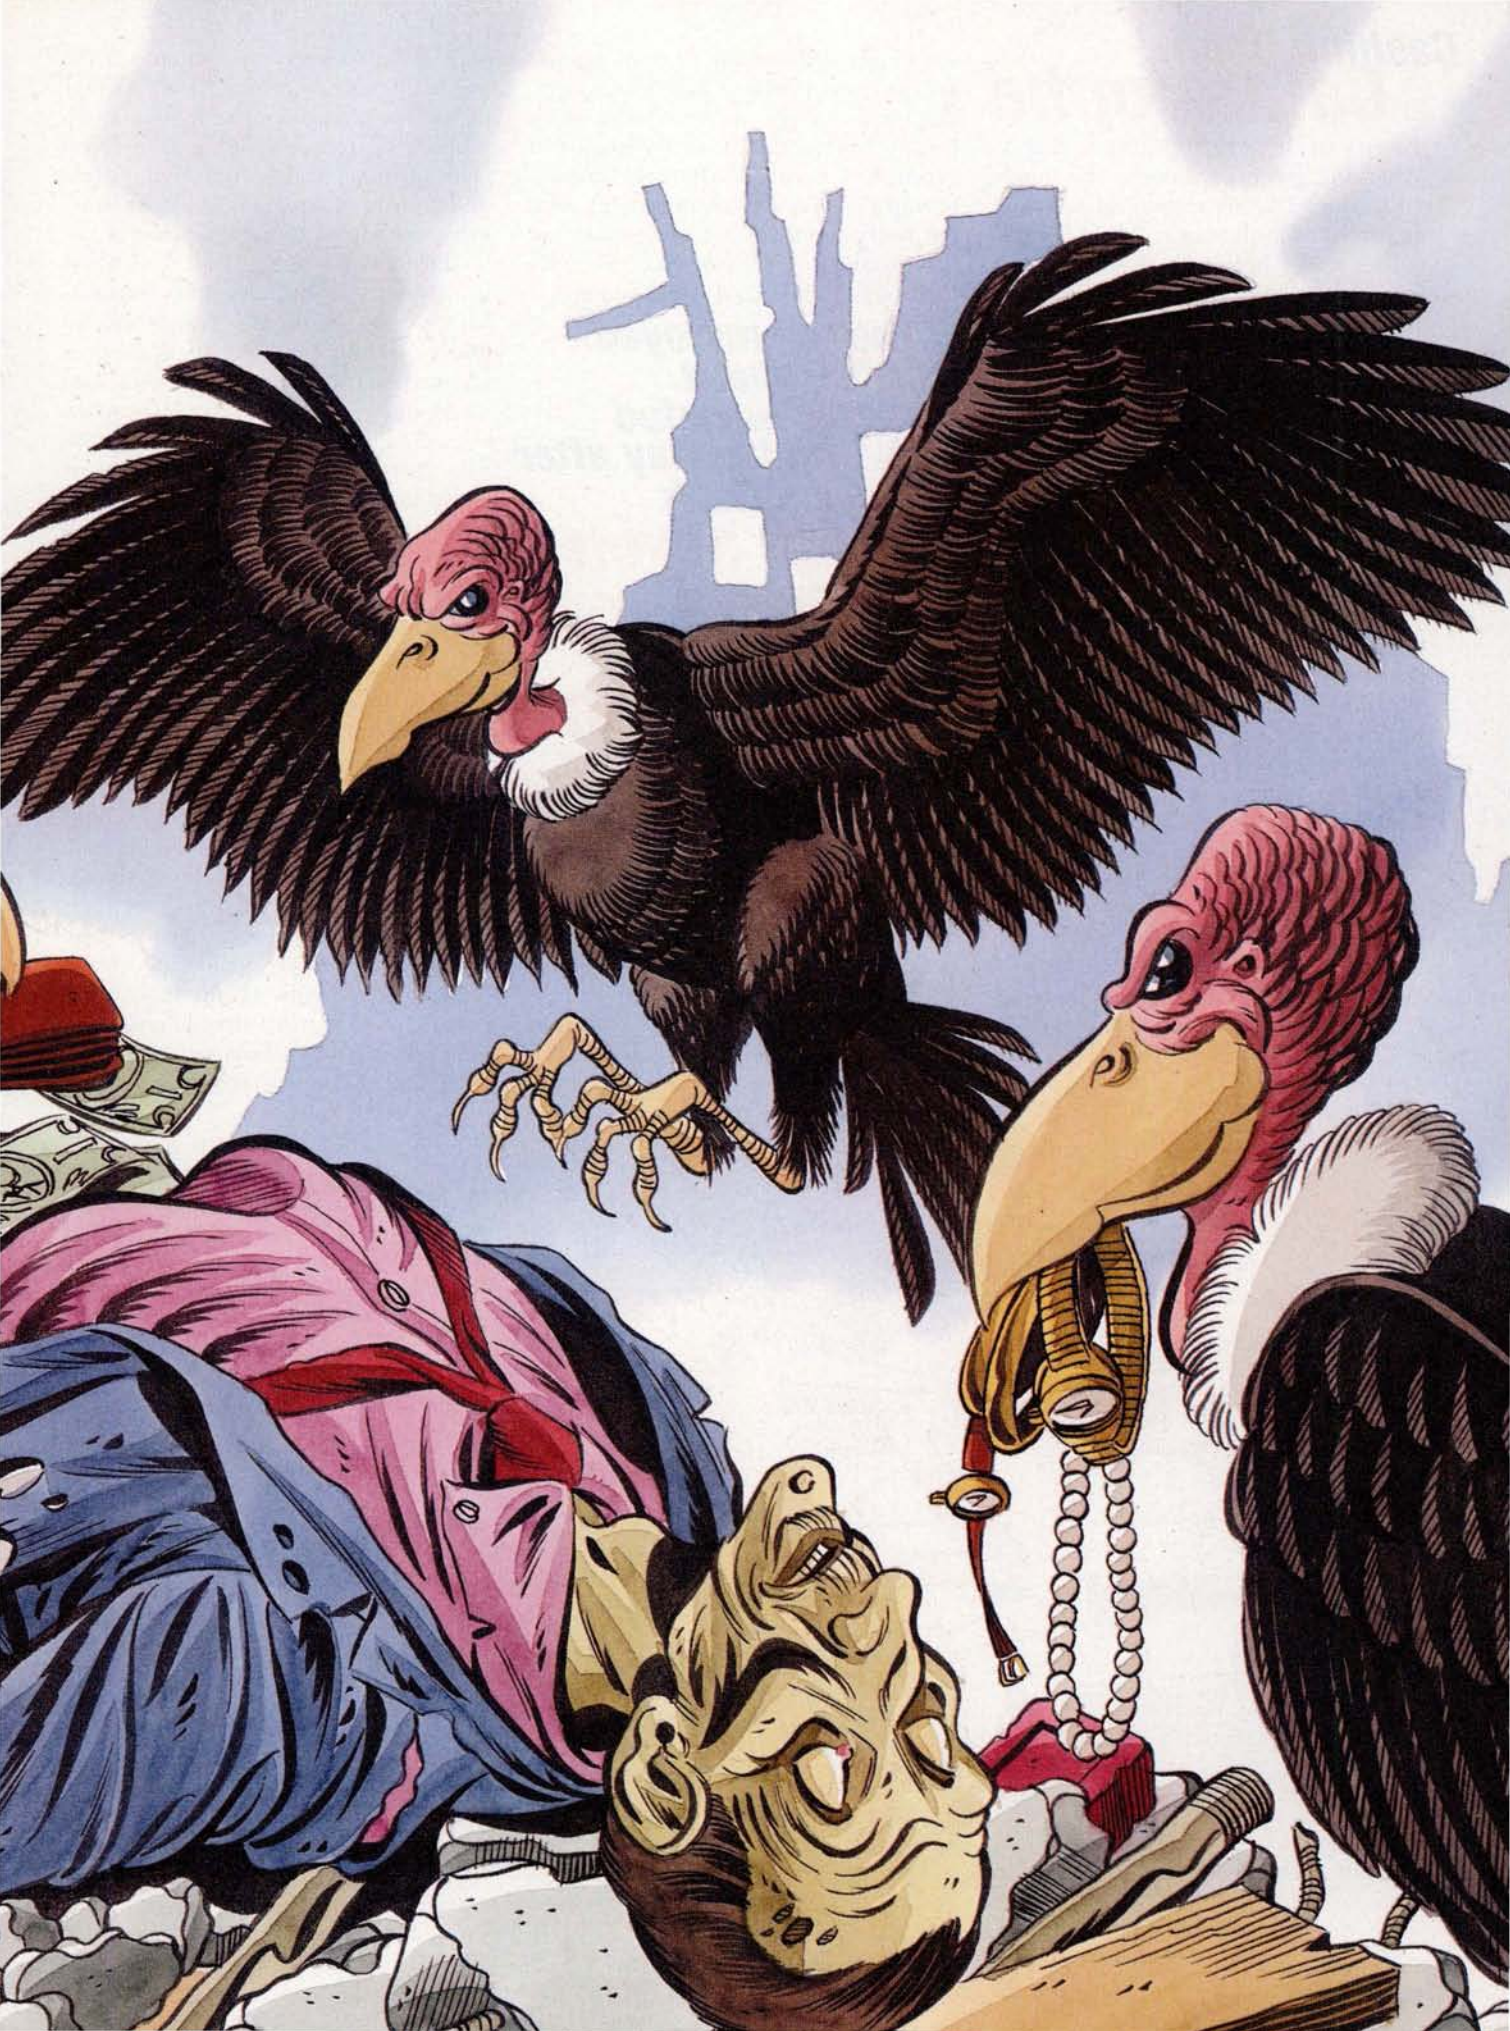
CASHING IN ON CATASTROPHE

REPORT BY **AL HAZRAD**
ILLUSTRATION BY **ROB ORZECHOWSKI**

When terrorists destroyed the World Trade Center towers, many heroes rose from the ashes to demonstrate the true American spirit. Unfortunately, so did a bunch of thieves and scam artists.



Cashing in on Catastrophe

There's an old New York City tradition: When the going gets tough, the tough go looting. The September 11 terrorist attack on Manhattan's World Trade Center was a holocaust of such apocalyptic proportions that at first it seemed even the most hardened pillager would forgo the opportunity. No such luck. In the face of the national tragedy, most New Yorkers acted bravely, generously or, at the very least, stoically, but many individuals in the city and abroad saw the World Trade Center's obliteration as an open invitation to engage in a wide range of criminal behavior.

In the days after the attacks, the media, struggling to wring a semblance of reason and decency from the worst disaster in our nation's history, overwhelmingly accentuated the positive—the sacrifices by firemen and police, the dedication of rescue and salvage workers, the steadfastness of ordinary New Yorkers, and the outpourings of sympathy and patriotic unity from all Americans.

Some people were actually surprised by the apparent lack of looting in the hours and days after the WTC's destruction. New York City Mayor Rudolph Giuliani had a perhaps unconsciously cynical explanation as to why there wasn't any such activity. "I think people are just too shocked and too upset," observed Giuliani. As time went on, it became evident that no such cessation of greed had occurred. Rather, officials, business owners and area residents were too overwhelmed by the magnitude of the disaster to focus on the relatively minor matter of looted stores and apartments. Thus, a "positive" early sign that New Yorkers were rebounding from their collective shock appeared when reports of crimes perpetrated behind the smoke screen of the WTC's smoldering ruins finally began filtering in.

The unemployed security guard was arrested on the day after the attack with seven diamond and platinum watches.

One of the first reports of major thievery was made by National Guard troops soon after rescue workers reopened the mall at 5 World Trade Center, on the northeast corner of the Trade Center plaza. The shopping arcade, home to a number of upscale boutiques one level below ground, had been buried but not destroyed by the towers' collapse, leaving it vulnerable to human vultures.

Hardest hit was the Tourneau watch store, found to be missing as much as $1.3 million in luxury timepieces and jewelry. Johnny Dunham, one of the men arrested on the day after the attack, had seven diamond and platinum watches, one of which alone was worth $15,000. The 26-year-old, unemployed security guard insisted that he'd come to Ground Zero on September 12 "to try and help."

The next day, two rescue workers, Mark Konsistorum, 42, of Queens, and Martin Ross, 30, of Glen Head, Long Island, were arrested at the same store. Both reportedly were nabbed for pocketing watches—a $975 Hunter Swiss Army model for Konsistorum and a $2,595 titanium Seiko for Ross—with the price tags still attached.

Looters also targeted a designer-sunglasses store and a number of cash registers. National Guardsmen discovered that the service room behind a row of automated teller machines had been cut into. Steel safes stymied the would-be grand larcenists. While no one was charged with the attempted "rescue" of the cash machines, civilians most likely could not have penetrated so deeply into the restricted zone.

"They could have been police officers," said Captain Vincent J. Heintz, the commander of a National Guard infantry unit on duty. "They could have been firefighters. They could have been contractors or National Guardsmen."

"S. D.," an inspector and enforcement officer with a federal government agency who worked at Ground Zero from the beginning of the recovery effort, backs Heintz's suggestion. "Looting? Taking stuff? Firemen and cops think of it as their right. Maybe not when they're called to individual homes but, when it's a call to a business, their attitude is, 'It's a company; so it's all covered [by insurance] anyway.' When firemen had to cut through a wall, and they had a choice of going next to a cash machine or through the cash machine, believe me, they went through the cash machine."

S. D. observed that after the disaster, as the salvage efforts continued, "they set up security cameras all around the site. Hey, this place has more cops and soldiers and firemen and rescue workers per square foot than anywhere in the United States; so why the security

cameras? It was to watch the cops and soldiers and firemen and rescue workers."

"From my 31 years with the fire department, I can say no firefighter would be involved in [looting]," counters Chief Brian Dixon, of the New York City Fire Department Press Office. "On September 11, we had more important things to do. The job at hand was searching for victims. Three hundred and forty-three firefighters died, and the rest of them were down there searching for survivors—searching for everyone. That was our focus from day one."

Some Ground Zero rescuers reportedly took jewelry and watches off of the disembodied human remains. "What did you expect?" says S. D., with the cynical detachment of a career investigator and lifelong New Yorker. "A rescue worker's going to see a diamond ring sitting there in the rubble, and do what? Leave it for the next guy? This is New York."

"Anybody who finds anything is supposed to turn it over to the police, who do what they can to return things to people," says John Spavins, a spokesman for the New York City Department of Design and Construction, which is responsible for overseeing the WTC cleanup. "We have a large group of what we call 'spotters' on the site—police officers whose main job is to look for human remains. The spotters also keep an eye out for theft. Other than those few early [theft] cases, I haven't heard of much else."

Opportunists made off with property of the living as well. Residents of the upscale Battery Park City housing development west of the Trade Center were evacuated and not allowed back into their apartments for more than a week. When they returned, several notified police that their homes had been burglarized. Karlene Wiese, a legal secretary, was first allowed to see her apartment under National Guard escort. She told reporters her home had been broken into, and that money and jewelry were stolen. Alexander Stein, a psychoanalyst, and his wife, Helayne Schiff, a playwright, said they found their bedroom ransacked, jewelry strewn all over, drawers pulled out and their Italian racing bicycles gone.

Brandl weaseled his way into Engine Company 39, parlaying his pose as a firefighter into free hotel rooms and meals, as well as cash from donations he helped collect at the firehouse.

One of the strangest cases was that of St. Charlie's, a cozy restaurant that the collapse of the south tower just missed. In the days after the disaster, St. Charlie's became a haven for those working in the hellish rubble. Someone scrawled in the dust of its unbroken window, "Ground Zero Bar. Open 24 hours. No cover." Not only was there no cover, but there was also no charge for the booze; someone had written on the restaurant's chalkboard, "Free drinks for all workers."

That someone wasn't an owner, since the bar was in a cordoned-off zone that the proprietors—Duane Anzalone, his wife, Joanna, and her brother Jozef Kielczynski—couldn't enter. When they were finally allowed to return in early October, they discovered that $15,000 worth of inventory—more alcohol than could possibly have been guzzled—had vanished, along with $5,000 cash, the bar stools, four TVs, antique lights and fixtures, mirrors, paintings, glasses, cookware, linens and phones.

Though their crimes had low dollar value, the impostors who pretended to be firemen, cops or bonafide rescue and recovery workers were perhaps the most perverse class of Ground Zero scammers. Jerome Brandl, a 34-year-old ex-con who has used 22 different aliases, leads the pack.

Brandl's WTC-related, felonious adventure actually began in late August, when he struck up a brief friendship with Rebecca Heidepriem, a Wisconsin government official, and stole her $60,000 Mercedes. After September 11, Jerome arrived in New York, claiming to be a volunteer fireman from Wisconsin. Brandl weaseled his way into Engine Company 39, parlaying his pose as a firefighter into free hotel rooms and meals, as well as cash from donations he helped collect at the firehouse. Tiring of New York, where his act was beginning to raise suspicions, Brandl next surfaced in Tennessee, where, using his "soul-weary Wisconsin firefighter returning from Ground Zero hell" rap, he conned his way into more free hotel rooms, and hustled a woman out of $500 and a new cell-phone account. He was eventually arrested in Pennsylvania, when a policeman ran his license plate at a gas station and realized his car was stolen. Brandl was sent back to New York, charged with possession of stolen *(continued on page 114)*

Noticing a very large funeral procession, a jogger approached an attractive mourner and asked who was being laid to rest.

"My grandma," sobbed the young woman.

"I'm so sorry," the jogger consoled.

"It's okay," the bereaved woman replied. "She was lucky. She died peacefully, in her sleep."

"I suppose that is lucky," the jogger observed. "I guess that when I die, I'd like to go that way too."

"Yes," the survivor agreed, "and not like the poor, screaming bastards who were riding in her car."

A Polack called the local hospital and screamed, "Ya have to help me! My ol' lady is in labor!"

"Calm down," the nurse said. "Is this her first child?"

"No, stupid," the furious Pole snapped. "This is her fucking husband!"

On Harold's first day in the car pool, he raced out of his house late. Halfway to the waiting auto, he heard a grunt. He turned to see his wife, scowling at him. Harold ran back up the steps, spread her bathrobe and lustily kissed her on the privates before hopping in the car.

The commuters rode in silence until the driver could not help himself. "Harold," he asked, "it's none of my business, but why'd you kiss her down there?"

"You wouldn't believe her fucking breath in the morning," Harold sighed.

Question: What's the difference between the U.S. Marines and the Israeli army?

Answer: One specializes in wholesale destruction and the other can get you destruction wholesale.

Twelve priests were about to be ordained. The final test was for them to line up in a row, nude, while a luscious stripper danced before them. Each priest had a small bell attached to his pecker, and they were told that anyone whose bell rang when the temptress danced would not be ordained for lack of spiritual purity.

The sultry blonde writhed in front of the first candidate, and there was no reaction. She proceeded down the line with the same result from each candidate until she reached the last seminarian. As she danced, his bell rang so violently that it flew off his member and clattered to the ground.

Embarrassed, he bent over to pick it up and was deafened by 11 bells chiming uncontrollably.

A guy was on his first date with a sexy girl. After dinner, they went back to her apartment. In a short while, the foreplay grew pretty hot and heavy. She seemed to be enjoying his progress as he put his hand down the front of her panties and slipped into her slick pussy.

"Ouch!" she suddenly cried out. "Be careful! Your ring is hurting me!"

"*Ummm*," he said a bit shyly, "that's my Timex."

Question: What's a hillbilly's idea of having a nice, quiet evening at home?

Answer: Gagging his sister before he fucks her.

The HUSTLER Dictionary defines *priapism* as: a hard attack.

Little Billy came home from school one day and asked his father, "Dad, we're doing vocabulary, and I can't understand the difference between *theoretically* and *realistically*."

His father said, "Tell you what; go ask your mother if she would sleep with a stranger for $500,000."

"Why, Dad?" Billy puzzled.

"Just do it," his dad insisted.

Billy ran out and came back a minute later. "Mommy says she'd do it, but I don't understand."

"All right, son," Billy's dad continued. "Go ask your sister the same thing."

"Okay, Dad," Billy nodded, "Only, how is—"

"Trust me," Billy's dad assured him.

So the boy ran off again and came back moments later. "Sissy said she'd do it too. But, Pop, I still don't know why...."

"Now listen to me, Billy," his father explained. "*Theoretically* we have a million bucks, but *realistically* we live with two whores."

FAMILY FUN WITH **NICO WINETRAPPE**

PHOTOGRAPHY BY **RICHARD KERN**

Monday morning, I receive two phone calls. The first is from Elizabeth, my girlfriend. She's breaking up with me because of what I did last night in a drunken blackout, something having to do with peeing on her yoga mat. She calls me a motherfucker and hangs up. A few minutes later, a call comes from HUSTLER. Will I fly to Nevada and fuck mother-and-daughter prostitutes at the Moonlite BunnyRanch?

It's not the trip to Afghanistan I had been hoping for, but after going online to BunnyRanch.net and checking out pictures of the familial hookers, I accept the assignment. The chicks' photos look too good to be true; both are blessed with seductive brown eyes and sultry, dark, Mediterranean features. The mother, Lacy, appears alluring and mysterious, maybe only because she seems to be hiding her identity in some of the images. Her face shots show enough to tell she's hot, but not enough to be able to pick her out of a lineup of PTA mothers. She looks to be in her early- to mid-30s. Bianca, the beaming daughter, doesn't look a day over 18. Pictured naked on an antique farm tractor, she has big, natural boobs and a tight, virginal body. There is a definite family resemblance, but are these two really mother and daughter, or is this just another crappy, cow-town hoax? I'm too horny and lazy to make a judgment call.

Some people collect coins; I fuck whores. I'm a cunt connoisseur, trolling the dive bars and trailer parks of the world in search of new and exotic species of pay-per-screw snatch. My expeditions have brought me face to face with everything from Asian bargirl pussy to a buck-toothed Canadian hooker with a four-inch, bleach-blond mullet. Once, I paid my next-door neighbor $3 to sit on my face for 30 minutes while she watched *Frasier*. I have but one sexual regret in my long quest for the perfect hired hole: I've never done a mother and daughter. Banging two generations at one sitting is akin to hitting the daily double at the racetrack, a rare payoff, the thrill of which lingers long after the race itself. Mothers usually hate me. Loathe me, actually. Who wants their daughter dating a pill-popping pornographer alcoholic with a history of long-term unemployment?

But this time will be different, I told myself. Nothing stupid like good maternal judgment will get in my way.

* * *

I'd never met photographer Richard Kern, but he's easy to spot in the airport; he's the guy with all the camera equipment. We talk about the assignment as our Reno-bound plane taxis down the runway. "Which one do you fuck first?" he asks. "The mother or the daughter?" Our section of the plane grows quiet. I catch a cute, blond girl staring at us unapologetically.

"I'll do them both at the same time," I say, looking at the blonde. "Then I'll fuck the grandma. Then the sister. Then the little brother and anyone else in that fucking family with a hole."

After driving for 30 minutes from the Reno airport, we arrive at the whorehouse, which is six miles east of Carson City, Nevada. A white limo idles in the parking lot. An SUV with tinted windows pulls up to the entrance, drops a girl off, and speeds away as she is buzzed through the white, iron perimeter gate. Two prostitutes walk

around outside—one in a fur coat, the other dressed like a hipster gypsy—looking as if they were airlifted in from the East Village.

Inside, the parlor quietly reeks of perfume, old smoke and booze. A long hallway of closed doors gives the place a dormitory feel. Two big-breasted, blond hookers chat softly on a couch while a third checks her e-mail on a nearby computer.

Kent, the BunnyRanch PR man, is full of energy, very excited about his work. He sets us up in the "compound," a double-wide trailer stocked with beer, candy and Red Bull that sits next door to the brothel and serves as a roost for VIPs such as Al Goldstein when they come to the Ranch for an extended screw. "You guys have total run of the place," he tells us, rubbing his hands together. "Everything is on the house. We've already put out a memo." Who knew whorehouses circulated memos?

Next we meet BunnyRanch owner Dennis Hof at the Carson Nugget for dinner. Porn star/hooker Sunset Thomas sits beside him. When Bianca, the younger of the mother/daughter hooker team, arrives late, dressed in tight bluejeans and a sleeveless, girly-blue T-shirt with "HONEY" scripted in gold letters across the rounded peaks of her chest, I forget everything else. She looks even better in person than in the pictures. Her long, black tresses carry just a hint of dark red. Her exposed bellybutton flirts with my eyes. She's petite in all the right places, but full and firm and breathtakingly curvy in the others. She looks like jailbait. I can't wait to screw her, but I feign disinterest and chug red wine. I can't bring myself to ask her any questions. For some reason, I don't want to know the answers. I don't want to know anything about her—why she's a hooker or what she thinks about. Something awful must be lurking under the surface. Something always is. Then our eyes meet. Bianca makes a bubbly, girlish face. I'm in love. I order another wine and start to feel everything go to shit.

"Do you and your mom ever work together?" I ask her, passing the salad tongs to Kern.

"No," she says. "Mom says I'm not her type. You have to book us separately, but you could do me, then put on another condom and do Mom. But we won't be in the same room together or anything like that."

Early the next morning, Kent takes us to the girls' house to meet the family. While most BunnyRanch providers are cloistered at the brothel, Lacy and her daughter Bianca are hunkered down at home in their new, two-story house, not in the typical hooker environs of trailer park or trailhead, but inside a gated, golf-course community. Lacy's thirtysomething sister—

"Which one do you fuck first?" he asks. "The mother or the daughter?"

known around the house simply as "Aunt"—is in the kitchen making pancakes and squeezing fresh orange juice. "See?" laughs Kent. "Just like an ordinary family. Just like anyone else."

They're a tight-knit tribe, three generations, all living under one roof. The youngest, a 12-year-old daughter, is asleep upstairs. Lacy's 16-year-old son sits on a long, black couch playing video games with a friend. He pays no attention to the strange perverts tramping through his house. Doesn't he know I'm here to fuck his mom and his sister? Doesn't he care?

Kern and I are sitting in their kitchen eating Dairy Queen hamburgers when Lacy and Bianca appear. The scene is familiar. A pretty teenage girl tramps downstairs for breakfast while her mother stares disapprovingly at her choice of outfits. "You're not going out in that," Mom scoffs, her brow furrowed emphatically. In most cases, a tiring barrage of whining or a tedious argument would ensue. Not here. Perverse as it may seem, Lacy's trouble with Bianca's outfit this morning is that she's not showing enough skin. Bianca runs upstairs to change. Minutes later, she flounces down

the staircase in a black micro-mini and a purple bra, her sleek legs showing up to the hip, her ample cleavage lifting from the tight tit harness like a dual sunrise. She looks like a hooker action figure. Mom smiles.

I watch in awe as their home life plays out before me, becoming depressed that a two-whore family could be so much more functional than my own.

Surely there's unknown depths of tragedy here, but there is a striking balance. When Lacy and her husband divorced, he married Aunt, a process pretty much as simple as switching bedrooms in this household.

The brothel is merely a place of employment. The girls talk about going to work with the same hemming and hawing that most wage slaves do. Looking at the comfortable life they're leading, they must be pretty good at their jobs. I aim to find out for sure.

* * *

Bianca is naked; her D-cup breasts swing free. Her toenails are painted hell red and embossed with little champagne glasses. "What do you want?" she asks. "I do just about anything but anal."

"That's okay," I assure her. "I'm not into that. That's disgusting. *Yuck*."

"So what do you want?"

"*Uh*...anal," I say half-jokingly.

I start asking her questions, even though we are probably being listened to through the room's intercom. I ask her why she became a hooker.

"My parents pulled me out of school in seventh grade," she recalls.

"I always used to tell Mom that I had no idea how she did this for a living. Then, one day, I was 18 and just decided to give it a try."

"I always used to tell Mom that I had no idea how she did this for a living. I could never be a prostitute. Then, one day, I was 18 and just decided to give it a try. What the hell else is there to do around here? I'm not going to wait tables or work at Der Wienerschnitzel for $5 an hour. It's easier just to fuck."

I want to save this girl. I don't know why. Maybe I love her. She's too good and too pure to be selling herself to sleazy bastards like me. Jesus, if I can come in here and fuck her, anybody can, which is a startling revelation. What could I say to her to prove my love?

"Let's fuck," I suggest.

Bianca lubes up the condom, strips and deposits my cock in her mouth. I brush her long, black hair out of the way to study her technique. Her skin smells like warm coconuts, her hair like baby down. She sucks well, making nice, full jerks to the base of my wang and fondling my nut sac. Somebody has taught her well. I wonder if it's her mom. My hands stroke up and down her spine, caressing her hips and admiring her olive skin. I bend the little

NOVELTY WHORES

The world's oldest profession often utilizes one of the world's oldest marketing techniques—the gimmick. HUSTLER reveals the pros and cons of various whores' attention-grabbers.

Porn-Star Prostitutes

In brothels, Web sites and the back pages of weekly escort rags, adult-movie starlets hawk their bodies. While some blue-screen thespians charge more to fuck a "genuine porn star," others attempt to hide their notoriety.

Advantage: *After the experience, the john can rent the girl's videos and attempt to relive the moment at a fraction of the cost.*

Disadvantage: *Other guys are fucking her in the XXX flicks.*

Psychic Whores

In Nagoya, Japan, a woman known as Kaho claims to be able to divine a man's future by sucking his cock.

Advantage: *Even if she's a fraud, at least she gives head.*

Disadvantage: *"I predict you will soon experience painful urination."*

New-Age Hookers

Some spiritual-minded "high priestesses" claim to help a man align his chakras via ejaculation.

Advantage: *The whoremonger can delude himself into believing he is engaging in a religious activity.*

Disadvantage: *New Age music and the smell of frankincense can spoil the mood.*

Sex Surrogates

In some localities, a woman who works in conjunction with a therapist can legally screw clients for pay to help them with "mental health" problems such as premature ejaculation and erectile dysfunction.

Advantage: *A legal form of prostitution.*

Disadvantage: *Expensive. The "patient" must pay for both a surrogate and a therapist.*

Twin-Sister Escorts

Although rare, some whore teams claim to be sisters. Without a DNA test, only identical twins can provide a customer with the assurance that he's receiving the real deal. The next best thing would be twin porn stars, such as the Marcela Sisters.

Advantage: *The john can eat a pussy while sticking his cock in an exactly identical vagina.*

Disadvantage: *Hard to find, and twice or more the price for a single orgasm.*

Quasi-Celebrity Streetwalker

Divine Brown is back on the streets after spending the reported $850,000 she received for selling her "I gave Hugh Grant a hummer" story to the tabloids.

Advantage: *If it's true that sleeping with a person is akin to banging everyone that person has been with as well as everyone those people have had sex with, being blown by Divine Brown is almost like receiving fellatio from Elizabeth Hurley.*

Disadvantage: *It's also disturbingly analogous to sucking Hugh Grant's penis.*

cocksucker over my knee. My tongue guides me to her clean-shaven honey box and beyond, to her asshole. I grab her butt cheeks and push her cunt into my face. She's sweet, but tastes a bit like lubricant. The more I eat, the sweeter her flavor. I make some mental notes as I tongue her up and down, covering the nubile doxy in dirty kisses. Bianca mounts the well-oiled, cock-filled rubber, which slides gracefully inside her sweet, teen snapper. I pump her hard and heavy. She's light as a doll, no more than 100 pounds. I need this girl. I want this girl. I brush her face with my hand. She kisses me on the nose. I pull out and pump a melted nut into the rubber, coming so hard that the condom shoots onto the fuck sheet. Bianca eyes me cautiously. *Does she love me yet?* I wonder.

Somebody has taught her well. I wonder if it's her mom.

Kent has a busy day planned for us. He wants HUSTLER to plug his friend's Western-themed store; so we drive 20 miles through the fog up to Virginia City, an old mining town. Bianca and I drop 10¢ into the slot machines. I grab her hand. "Come with me," I say. "Let me get you the hell out of here, away from these fucking people."

"What people?"

"Porn people."

"Like you?" she laughs, squeezing my hand. "I like it here; it's easy."

I go to the bar to contemplate my fate. *Why do I have to fall in love with an 18-year-old hooker who lives 3,000 miles away? Can't I meet a nice neighborhood girl for once? Why does this shit always happen to me?* I order a hotdog from the counter lady. Bianca follows me, sidles up to the bar and opens a newspaper to the real-estate section. "I'm looking for a house," says the 18-year-old, commandeering my notepad and jotting down addresses on the back page. A few minutes later, she rips out a sheet and drops it in my lap. The note reads, "You are going to do my mom tonight."

I had forgotten all about Lacy. How was I going to screw the mother of my beloved? The very idea was fucking incestuous.

Bianca and Lacy are hamming it up, trying on hats and Western gear. The store's owner, Bernie, wears a black cowboy hat. He's talking business with Kent. Bernie peddles a line of hooker hot sauce branded with the names and pictures of girls from the BunnyRanch. Bianca and Lacy's designer condiment will be named "Show & Tell."

"She's 'Show,' and I'm 'Tell,'" explains Lacy. We leave, stopping to check out some old church. I take a seat in the front pew, and pray to God for the strength to fuck Bianca's mother.

Prolific porn starlet Charlie is the daughter of bodybuilder/adult-film actress Kitana Steele. The two star in Horny Henry's Sexual Relations: Mother and Daughter, but never at the same time.

Kendra Jade and Kelly
In 1998, Kendra Jade made a name for herself when she and her stepmother set up Jerry Springer by clandestinely videotaping the three of them engaging in hotel sex shenanigans. Director John T. Bone signed Jade to a contract to capitalize on her infamy and produced Too Hot for Porn!, a fuck flick featuring Jade and her stepmother double-teaming aged woodsman Herschel Savage.

Sabrina and Delilah Dawn
Big-titted, blond porn actress Sabrina Dawn and her alleged mother, Delilah, star in three movies together, Grandma Does Dallas, Hot Cherries and Things Mommy Taught Me. (Alas, they don't share any sex scenes.) Sabrina left the blue-movie business to concentrate on her stripping career.

Capri and Dusty Cameron
Before there was Bianca and Lacy, Capri and Dusty, another mother-and-daughter whore team, sold their goods at the BunnyRanch. The two are rumored to have performed live sex shows together, and they posed with each other for some explicit photos. Capri went on to star in such films as Sperm Burpers 3 and Jail Babes 13, in which she speaks of her car-theft past.

Anne Howe and Mary Anne Weiland
Adult-video starlet Anne Howe's mother worked in XXX films in the 1970s, but stopped after Howe was born. Even so, porn was in Anne's blood and, at the age of 12, she informed her mom that she wanted to be a blue-screen star. After Anne turned 18, she made her dreams a reality.

Although Ma Gauge never starred in porn, she receives this honorable mention for hand-feeding her daughter an erect cock during a HUSTLER Bits & Pieces photo-shoot.

All of the Pregnancy-Fetish Video Stars
We can't leave out the legion of mothers and their unborn daughters (and sons) who work together in ready-to-pop videos. Although the Surgeon General warns that "smoking by pregnant women may result in fetal injury, premature birth and low birth weight," no study has been conducted on how onscreen fucking affects fetal development.

parlor, looking for Lacy, determined to screw her good. She's busy. Fifteen minutes later, a man stumbles briskly through the parlor wearing the goofy sneer of a guy trying to catch up to his thoughts after spending the entire day, all his money and all his energy on one orgasm. Lacy walks behind him.

"Okay?" she says. "You ready?" In the name of journalism, I'm supposed to replicate the same experience I had with Bianca with her mom in order to objectively compare the two fucks, to see what's nature and what's nurture. Lacy lays down the "party sheet" and slips out of her clothes.

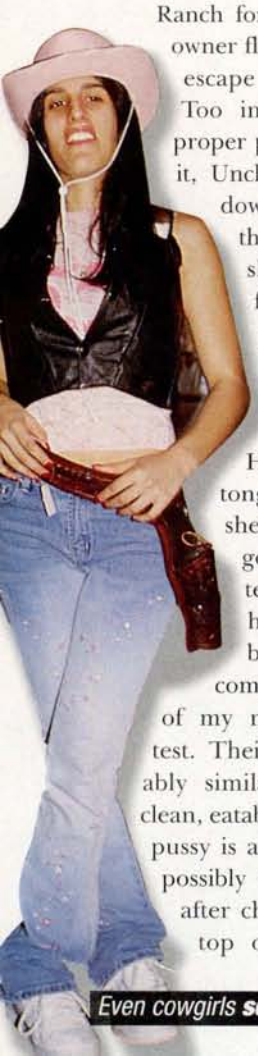
"What do you want?" she asks me seductively.

"I want your daughter."

"What?"

"We're in love." Lacy's taken aback, then decides I've given her some kind of a sexual challenge. She throws me back on the bed and unzips my pants.

Right away, I can tell Lacy's had more experience than her daughter. Then again, she's been tricking for a while. Lacy had been working at the Mustang Ranch for four years when the owner fled to South America to escape tax-evasion charges. Too incompetent to run a proper poon coop after seizing it, Uncle Sam shut the place down. Lacy then went to the BunnyRanch, where she has sucked and fucked for cash for the past 2½ years.



Even cowgirls **sell their cooze.**

Lacy blows me like a virtuoso, nearly sucking my nuts out. Her lips are full and her tongue skilled. I can tell she'll be damned if she's going to let her daughter out-fuck her. I lick her tits, then descend between her legs to complete the second part of my mother-daughter taste test. Their flavors are remarkably similar. Both have good, clean, eatable twats. The mother's pussy is actually a little sweeter, possibly due to a pH change after childbirth. She hops on top of me and rides my

cock. I grab at her ass, pushing her down over my throbbing stump. I pump and pump, but I can't come; I'm thinking of Bianca.

Lacy's gooey sugar walls contract around my shaft, but my sperm wells are dry, or blocked. All I can think about are words such as *mother*, *birthing stool* and *stirrups*. I might as well be fucking my own poor mom. My cock slides further into Lacy's birth canal. I imagine Bianca's sweet little head popping out between her mom's legs and biting my cock off. "Come!" Lacy commands. I pull out and start jerking. Lacy cups my nuts in her motherly palm and strokes my belly. "Good boy," she says. "Be a good boy." Finally, my body freezes up and my balls spurt a watery glob of semen onto the sheets.

"What do you want?" she asks me seductively. "I want your daughter."

Seconds later, the scratch of fingernails tickles the door, a working girl's trademark knock. The door opens; Lacy's daughter walks in and jumps on the bed while her mom dresses. My balls are wet with her mother's sauce, but I can't even remember Lacy's name. I pull the condom off and give it a sniff, savoring the pungent freshness of our mixed juices.

Between cigars, Kern has arranged a photo-shoot with porn princess Sunset Thomas and our mother and daughter. Sunset works out of the VIP room at the BunnyRanch at the very end of the hallway, with marquee stars on the door. I walk in, and there's a full-blown lesbo party raging. Using a plastic dong, Sunset pretends to teach Bianca how to put a condom on a dick using only her mouth. For some reason, Lacy is tied up with bondage tape. Everyone's having fun. Bianca takes the faux prick in her hand and has a go. She spits the rubber out like a kid learning how to blow a bubble with chewing gum. Making the lesson even tougher, Bianca now has a case of the giggles. Ever the patient teacher, Sunset settles her pupil over her knee and pours lube over her snatch. The blue-screen vet inserts two fingers. "That's a tight, little pussy," she drawls. Mom looks on with something that's not quite pride, but not quite shame either. Sunset grabs a huge dildo and points it womb-ward. As the tip penetrates Bianca's hole, she gives her mom a look of query, then a precious squeak. Is this something she'll be grounded for?

Watching them screw around on the bed, I'm overwhelmed with a feeling of loss. Someone hands me a beer. As the liquor floods my system, my brain slowly comes back to life. I look around the room, my eyes sharpen, my senses start to gel. Where the hell am I, and who are all these filthy sluts?

Hot Letters

I grabbed Adrienne's butt and cranked her fresh poon down hard on my schween. I flipped her and fucked her pussy from behind.

(continued from page 51) whore looks even younger, with a tiny bud for a mouth and a soft curve of youthful pudge under her chin. The junior miss didn't know or care why she'd been ordered to throw me a freebie.

"If Big Stu says to blow a guy," the pug-nosed trollop winked, "I try to suck his brains out his pisshole. You'd better save up your strength."

The young ones always think they're exceptional, but I had an inkling that Adrienne's cockiness was well-founded. Cramming her throat with schlong would be a pleasure. I began using the gel and made a date to collect on Friday night.

Daily application of the testosterone glop to a bare patch of my skin made a big difference to my already-stoked libido. I could smell the pharmacist's assistant whenever she was in the building, and she's an over-40 bitch who isn't even cute without her lab coat. Brushing up against a presentable woman on the street would give me a stubborn, bullet-proof boner that I thought I'd left in junior high.

By the time I walked off my wood, there'd be another girl passing by. I became acutely aware that a fuckable slice lurked between the legs of every adult female on Earth. Even when I was far from the faintest whiff of tang, the b.j. payoff for being Stu's guinea pig would enter my mind and stay there until I spanked the thought out of the far end of my irrepressible chubby.

The stuff makes you randy and aggressive, as you'd expect. By Friday night, I'd been in a bar fight, picked up three strangers, paid booty calls to two pathetic girls I hated and nearly been fired for lecturing my boss. I don't think I actually jumped on her desk, hooting and beating my chest, then waggling my trouser snake at her until I jacked off onto her blouse, but that's how my hormone-addled brain chose to file the incident. I was ready to monkey-fuck that 19-year-old's fresh face.

Adrienne proved to be a sport, not nearly as stuck-up as you'd expect a near-mint whore to act. She took about a pound of thick splooge in the face and swallowed the rest without so much as a blink. Before the thoroughly basted slut could clean up, I was hard again.

"Omigosh," Adrienne pouted. "I am so sorry. What didn't I do right?"

I reassured her that nothing was wrong, but let the game girl lower her shaved flower onto my boner anyway. I grabbed her butt and cranked her fresh poon down hard on my schween. Using her smooth ass for a handhold, I jerked my dick to another eruption, matched by spasms in Adrienne's pink meat.

The tender teen was flushed, and begged me to finish her off—something an older whore would scoff at. I slipped two fingers into her loosened, little cunt, which had been made gooey by my turbocharged man-milk. Adrienne mewed and worked herself into a lather on my digits, her delicate, coral-colored nipples stiffening into rosy tic-tacs.

"You smell good," she gasped, reaching down with freckled arms to pull her nether lips further apart. (I don't stink, I guess, but ladies don't usually compliment me like that. It was probably the gel again.)

Adrienne helped me frig her pouter, slipping a thumb against her butthole, and I found myself tumescent again. She felt my chubby against her thigh and positioned herself to slurp my stiffy once more. Over Adrienne's hungry protestations, I flipped her and fucked her pussy from behind, gripping her dainty chest as I did so.

The succulent cocksucker needn't have worried; after a few more goes at her twat and her asshole, I parted her cupid's-bow lips with my pud. By that final application of throat-coat, the vivacious little whore had fallen asleep with her head in my lap and her mouth on my prick.

I limped out of the small fuck-crib, carrying Adrienne, wrapped in a bathrobe, in my arms. Stu was in his office by the front door. I placed the valiant young slut gently on the couch. Her boss took one look at the bouncy sex-kitten's tousled, beaming form, reached under his desk, and handed me the case of Andro-Gynol.

"Keep that shit," the whorehouse impresario scoffed. "If I give my clients something that keeps a girl busy for three hours, the cunts'll stab me in my sleep." I knew what he meant: Most prosties go ballistic if a john takes too long to finish—little Adrienne was an exception. This gel was great for fucking, but bad for business. —S. K.

Cashing in on Catastrophe

(continued from page 76) property, grand larceny, scheming to defraud and criminal impersonation.

Being in New York was not a requirement to cash in on the misery of others. In Georgia, "grief-stricken" Charles Gavett filed a claim on his wife's life-insurance policy, explaining that she'd been lost in the World Trade Center collapse. Gavett received payments of nearly $300,000 before his "lost" wife was found at the couple's home, very much alive. Both were arrested for insurance fraud.

Insurance experts believe there are many more such hoaxes waiting to be uncovered. "We don't have any solid cases right now," says Mike Irwin, a spokesman for the National Insurance Crime Bureau. "It just takes a while to get into the system. People are figuring out how to defraud insurance companies. As soon as they hit a loophole, they'll start trying to do it."

While some hucksters were selling urns with commemorative ashes and dirt supposedly from the WTC site to the families of victims, reports surfaced of people profiting from the WTC debris on a far weightier scale. Scrap metal being salvaged from the site was diverted to junkyards for unauthorized resale. As many as 250 tons of WTC steel and other metals were found in private dumps in New Jersey and on Long Island, raising speculation that local organized-crime families—still influential in the salvage industry—were behind the scrap theft. At the maximum current price of $100 per ton, the scrap value of the steel recovered from unapproved yards was only about $25,000, but each of the Twin Towers contained 78,000 tons of recyclable steel. If it all went missing, more than $15 million would have been lost. This figure doesn't include pricier scrap metals such as aluminum and copper, which can bring $600 to $1,000 a ton.

Gavett claimed that his wife had died in the World Trade Center collapse, and received insurance payments of nearly $300,000 before his "lost" wife was found at the couple's home, very much alive.

In response, authorities installed global-positioning satellite transponders in more than 120 hauling trucks, allowing monitors to track the vehicles' every move. Because the WTC debris is being examined for information about the attack, a grand jury has considered charging the suspects with evidence tampering and obstruction of justice.

In December 2001, the New York State attorney general and the FBI announced the arrest of four men, including members of the Colombo crime family, on a "pump and dump" securities-fraud scheme—an attempt to artificially raise the price of a worthless stock and then sell it. Taking advantage of the nation's fear of terrorism induced by the September 11 attack and the anthrax cases that followed, the owners of Spectrum Brands announced they'd obtained exclusive marketing rights to a device called the "DeGERMinator," which could kill anthrax spores within five seconds. The company that actually manufactures the product said Spectrum's claims were totally false and ordered the firm to stop making the statements. Meanwhile, one of the conspirators used his own brokerage account to trade big blocks of Spectrum stock, driving up its price.

"The conduct alleged here is particularly reprehensible, because the defendants profited by pumping the price of Spectrum stock with unsubstantiated—indeed, patently false—claims, exploiting fears over anthrax," said the FBI assistant director who announced the arrests. "In post-9/11 America, we've witnessed acts of patriotism and generosity, but occasionally the lowest common denominator also surfaces."

Probably the biggest single WTC-related scam was perpetrated by currency-trading execs Andrei Koudachev and Gary Farberov, who led the interlocking firms First Equity Enterprises, Forex International and Evergreen International Spot Trading. The managers, who escaped unharmed from First Equity's 15th-floor offices in the World Trade Center's South Tower, at first told investors that their money—at least $110 million—had been lost in the disaster. They even conspired to convince their clients to pony up more cash to make up for the loss. A few days after September 11, Koudachev and Farberov also disappeared, but the men and the millions were alive and well, departed for points unknown. Farberov turned himself in, confessed his role in the scheme and agreed to testify against Koudachev, who has been located in Russia, a country that seldom extradites citizens accused of fraud.

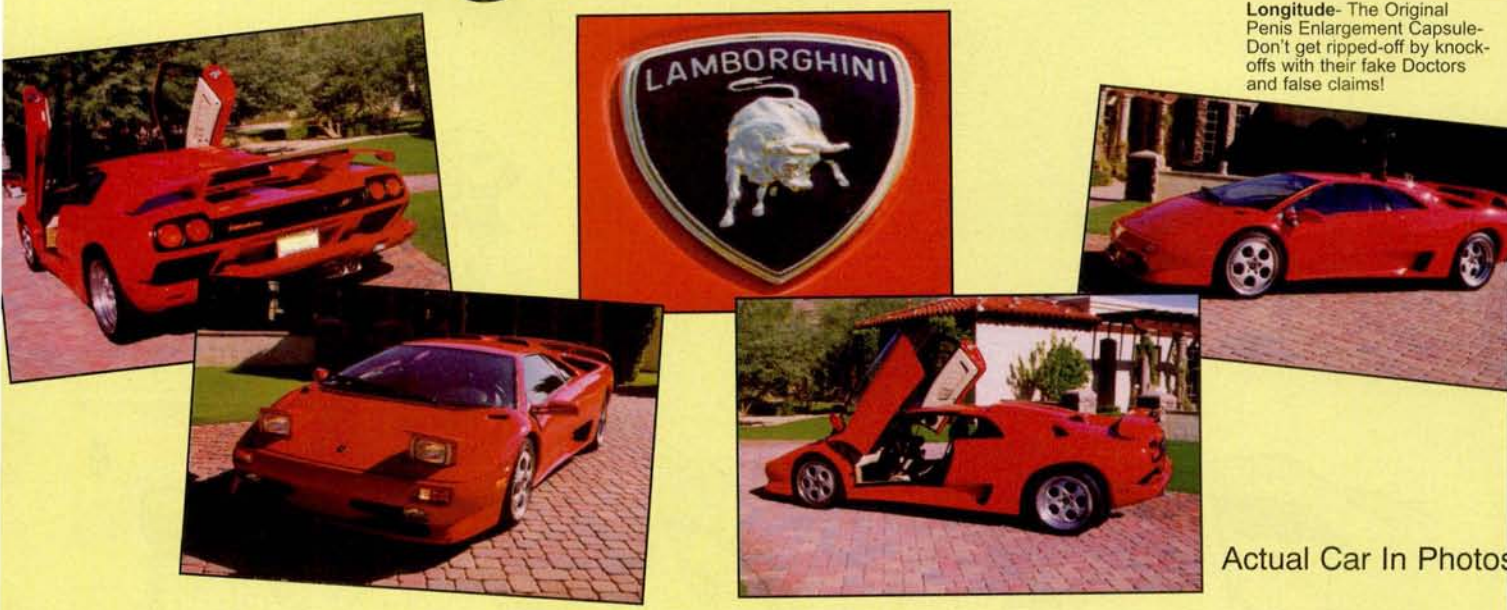
Use Longitude And Win My Lamborghini Diablo!

Longitude- The Original Penis Enlargement Capsule- Don't get ripped-off by knock-offs with their fake Doctors and false claims!



Actual Car In Photos

This Lamborghini has got me more women than I could handle. They just seem to flock to it. It is an incredible machine!

My Lamborghini Diablo is the "SV" model, which is even quicker than the "VT" model. The "SV" blasts from 0 to 60 in just 3.8 seconds and it's still in first gear! Top speed is 200mph!

I'm a car fanatic, so you be assured the car is in "mint" condition. It's a 1998 model with just 3000 miles on it. Not a scratch, ding, or dent. You couldn't tell it from a brand-new one.

My friends say that I'm crazy to give this Diablo away, but I think it'll make a great promotion for Longitude- The penis enlargement capsule that I've created and many try to copy.

Here's how the "Win My Lamborghini" promotion works:

This promotion is valid only to US Residents and you must be at least 18 to participate.

The car will be awarded to the man with the most drastic results using Longitude. Basically, whoever grows the most regardless of total size, wins my prized Lamborghini.

Simply read my ad on the next 3 pages and order a risk-free bottle of Longitude. When the bottle arrives, fill out the entry form and take a few "Before" photos in an erect state.

Keep taking Longitude until you are satisfied with your new growth, then stop. Take a few "After" photos, this time you'll be a lot larger.

Then, simply drop the Before and After photos in the mail along with your entry form. All entries must be received no later than September, 30th, 2002.

My group of judges will review the hundreds of thousands of entries and pick a winner. They'll review the photos for maximum growth percentages and they'll make sure the photos haven't been altered. So, no cheaters please.

That's it. If you're the lucky winner, I'll remove my tags and personal belongings from the car, have it detailed, and shipped to your door at my cost.

I'll also make sure to remove the g-string underwear I found last week underneath the passenger seat.

There's no additional fee to enter this contest, except for the price of the product.

It doesn't matter how long you take Longitude. Two, Three, Four months, or you can go until the September 30th deadline. It's up to you. Just make sure your entry form gets to me no later than September 30th. And the winner is the man with the largest growth from start to finish- not who is simply the largest.

The winner will be notified 2 weeks after the deadline, and then the car will get shipped on it's way to your home.

When the truck pulls up, he'll unload the car, hand you the title and keys then take a quick snapshot of you and the car. Then the car is yours forever!

Can you think of a better way to show women the "new you"? My Lamborghini will get you so many women, you won't believe it! That car has landed me models, strippers, even a famous actress- seriously.

This Diablo game me hundreds of opportunities to show women the results Longitude gave me. Now the car can be yours.

The Ultimate Car, The Ultimate Product. Order Longitude risk-free on the next page and who knows... you may be the new owner of my Lamborghini! Good Luck!

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3: Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.

Week 4-8: Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.

Week 9+: Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,

Josh Bowens

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Cashing in on Catastrophe

(continued from page 114) relief-organization mess is one of the most shameful aspects of the entire tragedy. Long before the World Trade Center rubble had cooled—in fact, just hours after the attack—people reported receiving fraudulent phone calls seeking donations. Fake Web sites soliciting money popped up as well. One early example, discovered by a Web consumer group, was a spam e-mail with the subject line, "Help for the Red Cross and the victims of our Nations [*sic*] tragedy." Instead of linking to a Red Cross site, the e-mail sent surfers to a privately held Web site to make a "donation."

Most bogus sites were shut down quickly, but serious concerns developed with the "reputable" charities themselves, including the American Red Cross and the United Way, groups that collected more than $1.5 billion for disaster relief. The Red Cross accumulated hundreds of millions in their "Liberty Fund," saying all the money would go to the victims and their families. When pressed, managers admitted they planned to use only a portion of the donations for direct aid and were setting aside $200 million for various other uses, such as preparing for future disasters.

Faced with massive criticism and the prospect of a total loss of credibility, the Red Cross eventually surrendered to public opinion and media pressure, announcing it would give all the money collected for the relief effort directly to the victims and their families. President and CEO Bernadine Healy resigned from her $377,000-a-year position, and Red Cross executives publicly apologized for not being more sensitive to the donors' wishes. In a House committee hearing on charity abuses, Healy testified that the Red Cross specified that its Liberty Fund was set up for "the events of 9/11 and their aftermath."

"I don't care what it says on the back of an envelope," replied Representative Charles Bass (R-New Hampshire). "If you asked Americans, they thought [their money] was going to the victims."

Meanwhile, the United Way, which administered the September 11th Fund along with the New York Community Trust, received criticism for, among other things, its slowness in disbursing aid. By December, the organization had collected $347 million, but was just announcing plans to distribute its first $75 million. Joshua Gotbaum, the United Way's CEO of the September 11th Fund, appeared on television and reiterated the organization's original claim that all the money would go to the victims, and none to the black hole of "administrative costs."

Gotbaum then said the United Way would disburse funds through "front line" charities and admitted he couldn't say whether these groups had made the same every-cent-to-the-victims pledge. In other words, the "administrative costs" of one chief executive, one office building and one office staff were being replaced with the duplicate costs of perhaps dozens of chief executives, offices and office staffs.

Just hours after the attack, people reported receiving fraudulent phone calls seeking donations. Fake Web sites soliciting money popped up as well.

Gotbaum also baffled the public by saying there were actually "two September 11th Funds," one whose money would go only to victims and their families, the other to serve more general purposes such as "providing support to nonprofit organizations whose facilities were devastated on September 11."

"One of the major lessons to be learned from all this is: Don't ask for funds unless you know what you'll be using them for," says Rich Cowles, executive director of the Charities Review Council, an organization whose mission is to "promote informed giving."

The Red Cross and the United Way weren't technically doing anything illegal. They were simply following the American relief industry's standard operating procedure—going by the old saying "charity begins at home" (the charity's home) and administering the money as they saw fit. But the Americans' response to the WTC attack was so massive, their outpouring of sympathy so generous, that most people expected relief agencies to be more charitable than they normally are.

Perhaps the real mistake was in those expectations. Media hype aside, the terrible acts of September 11 didn't transform us into a nation of heroes.

"We were all feeling our way in this post-terrorism, post-9/11 world," says Cowles. "In the future, people will be a little smarter, and charities will be a little smarter too."

"Oh, cool! We gotta send this shot to Beaver Hunt!"

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Jizz for the Taste of It

How to Sweeten the Bitter Flavor of Love

by Dan Kapelovitz

Illustration by Jessica Esteves

At the neighborhood titty bar, Rob ogles a young, brunet dancer as she shakes her silicone-hardened tits for the crowd. After her set, Rob tells the stripper that he's in a relatively well-known heavy-metal band. Upon hearing this bit of information, the dancer agrees to meet Rob after her shift in his tour van, which is parked behind the club.

Once in the van, the lap dancer immediately sticks her pierced tongue in Rob's mouth. "Is it true that girls with tongue piercings give the best blowjobs?" he asks.

The stripteaser instantly drops to her knees to answer Rob's not-so-subtle question with a demonstration. She undoes his fly and is pleased to find that her dude du jour does not wear underwear. He really is a rock star, she surmises as she takes his growing prick between her collagen-enhanced lips, playfully caressing his shaft with her tongue's metal stud.

"Wow, this is the best head I've had all week," Rob compliments his newfound friend. "In fact, you're so good, I'm about to shoot my load."

"Come in my mouth," pleads the girl. "I want to taste your rock-star splooge."

Her pleas for jism bring Rob to the point of no return. His knees buckle, and he shoots his love snot down the stripper's hungry esophagus.

Seconds later, the skilled deep-throater gags profusely. Without warning, a thick liquid—one-part splooge, three-parts puke and two-parts God knows what—overflows onto Rob's quickly shrinking dick. The sick stench permeates the van, and Rob nearly succumbs to a chain-reaction vomit.

"That is the nastiest cum I've ever tasted," screams the disgusted hummer queen. "And I've tasted a lot of cum."

This is not the first time Rob has suffered this dilemma. Girls never seem to enjoy the flavor of my wad, Rob thinks as he tells the stripper to get the fuck out of the Chevy. "I'm gonna find some other slut to suck my cock—one who doesn't complain so much. And, by the way, I'm just the roadie."

* * *

Not all receivers of fellatio are as insensitive to a woman's needs as Rob, but most of those who are will at least feign concern to maintain repeat customers for their semen shakes. Regrettably, the taste of cock juice is the number-one reason some women refuse to gulp it down.

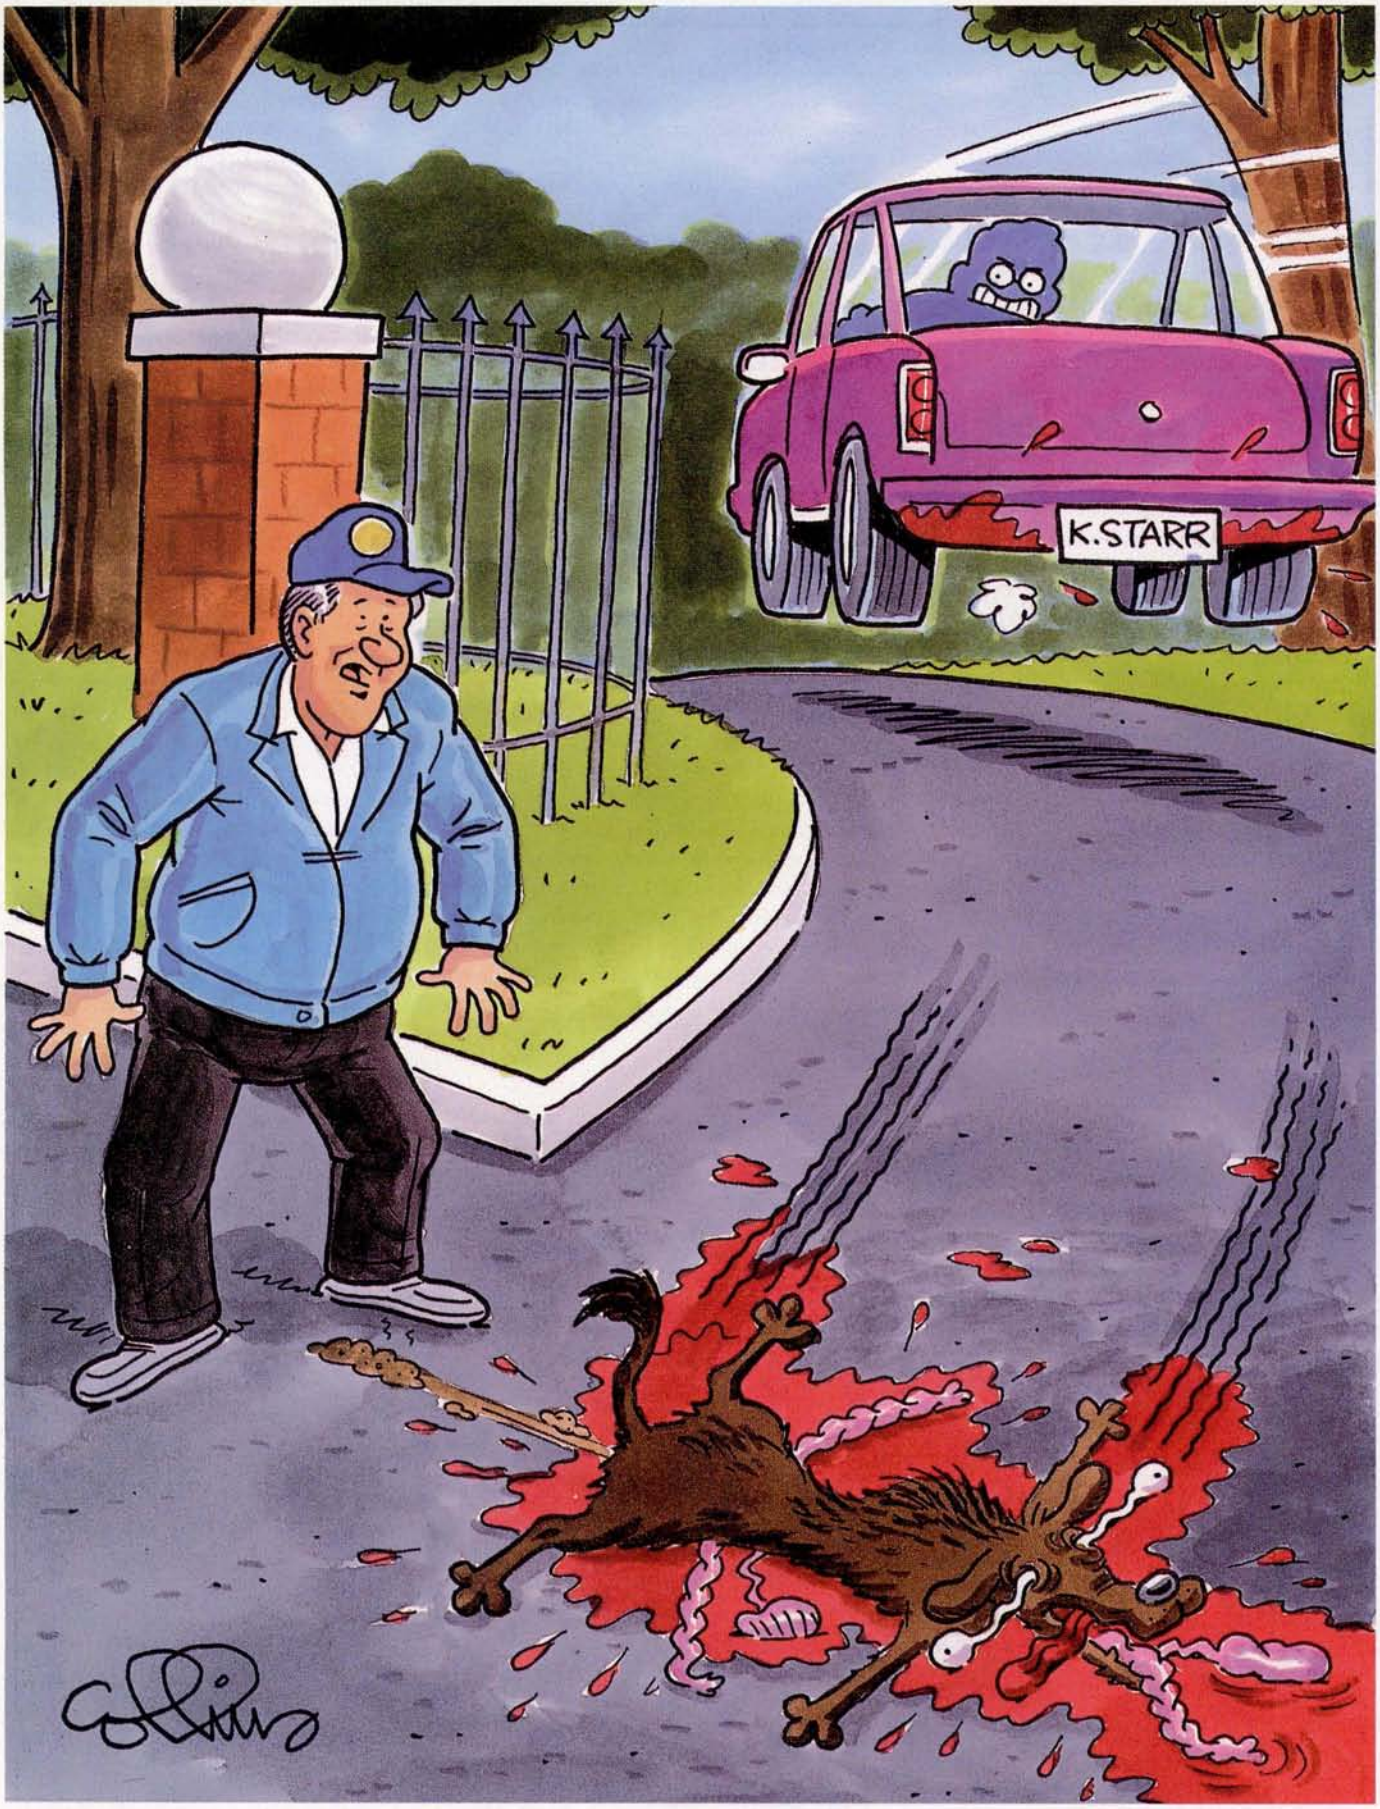
"Some guys have cum that tastes like dog shit," says former prostitute Saida Benson of Portland, Oregon. "I have girlfriends [for whom] the taste of the cum is the payoff for giving a guy a blowjob, but I've always been a spitter."

Saida admits that man milk differs with each guy and can range from sour to sweet but, like many women, the ex-hooker dislikes the majority of spunk specimens and insists on using mint-flavored condoms. Fortunately, men who want chicks to suck their unsheathed swords and drink their ooze can gain some control over the flavor of their seminal fluids.

All semen is essentially composed of the same elements—including fructose, water, protein, vitamin B-12, zinc, calcium, magnesium and sodium. In fact, jizz must maintain a relatively stable composition for spermatozoa survival. Even so, a man can affect the taste of his splooge by modifying his diet and behavior.

"What's going on in your blood also gets into your semen; so in the same way that you can eat asparagus and your urine smells, if you eat asparagus, your semen would smell and taste a little bit like asparagus," says Dr. John Moser, a general practitioner in San Francisco. "Vegetarians tend to taste good. Diabetics and people who drink lots of fruit juices have a lot of sugar in their semen and taste sweet."

Tom Erickson, a diabetic who also has the ability to suck his own cock, concurs that, when his blood-sugar levels are high, sugar seeps into his love liquid. "It usually takes a few hours from when my home blood test registers increased



"Buddy!"

"If cum tasted good, it might never find its way into a vagina, and the human race would die out."

glucose levels to the point where my cum tastes sugary sweet," explains the diabetic autofellator. "Injecting insulin normalizes my semen and, if I drink a lot of fluids, my cum is less mucous-y."

Onions, garlic, red meat, fish, dairy products, alcohol, caffeinated drinks, tobacco products and various drugs, vitamins and medications are also believed to adversely flavor jizz.

Circe Rose, an exotic dancer, lingerie model, Web-porn starlet and self-proclaimed cum fanatic who claims to have blown approximately 800 men, says that other factors also contribute to cum taste, including the race of the spurter. "Mexicans can be kind of spicy, but I think that could be due to their food," says Rose. "Unfortunately, I don't know a vegetarian Mexican. Nordic men barely have any taste. East Indian and Lebanese [men] go hand in hand with Egyptian guys, who are kind of spicy like the African."

Circe, who pretty much enjoys the taste of all cum except for that of speed freaks, says that time of day is another element in the cream-taste equation. "In the morning, it's usually fresher," says Circe as she burps up the taste of her daybreak slurp and attempts to describe the sensation. "It was a Swiss [guy]. It's not super-spicy; yet [there is] a tanginess to it—not as tangy as a drug addict's—more like the taste of rice milk. Gentle. It makes me horny to taste it."

Because most girls are not as easily pleased as Circe, a few enterprising souls have created products—with names such as Semenex, Tasty Mate and Cum D'Licious—to help men help themselves.

"Men would love to get more oral sex, but the reason women don't [give head] is primarily because of the taste of semen," says Richard Brent, a 42-year-old teacher at an Arizona community college and inventor of the patent-pending Semenex. "I thought, *Wouldn't it be great if someone came along with a product that would help with that?*"

After testing his product on 27 couples over the course of a year, Brent came upon Semenex's final formula, a drink powder made from dehydrated pineapple, broccoli, banana, celery, strawberry, cinnamon, ginger, nutmeg, an all-natural fructose sweetener and various minerals and vitamins.

"I mixed [the Semenex and water] together, and it looked like a health drink mixed with dust," says W. B. Schaffner, who agreed to put his treated ejaculate where his girlfriend's mouth was. "The drink had a pretty awful taste; it sort of tasted like dust and algae."

"I know it doesn't look or taste like Kool-Aid," says Brent of his product. "But to me, it's not that big of a deal. Of course, guys don't mind their girlfriends having to choke down bitter cum."

Ana Medina, Schaffner's live-in lover, sampled her boyfriend's adulterated cum, which she describes as usually tasting somewhat musty. "This stuff gave it an extra something that made it pleasant to taste."

Semenex's main competitor, Sweet Secretions in Spring Hill, Florida, markets Cum D'Licious (motto: "Don't get blown without it"). "I took Cum D'Licious for three days," says Ian Mark of San Antonio, Texas-based 2Sensual Products, Ltd., a major distributor of the red, herb-filled capsules. "I said to my wife, 'Try this,' and she said, 'Not bad.' It's a combination of herbs that reduce the acidity in the juices of men and women."

Semenex's Richard Brent claims that his product has also been reported to improve pussy taste, and he's currently working on Feminex, made specifically for that purpose.

Mark, of 2Sensual Products, claims he tried the competition's cum sweetener and didn't notice its effectiveness when he kissed his wife's post-fellatio lips. "She said [my cum] didn't taste as Clorox-y and flat," claims Mark. "I assume all [of the products] work to some degree."

John White, a 37-year-old salesman, says he tried Cum D'Licious on his girlfriend. "She said my splooge still tasted like rancid, curdled milk, but at least I got her to sample my wad—something she hadn't done in months."

When confronted with accusations that his product doesn't work, Mark blames its apparent failure on the seed owner's diet. "You are what you eat," explains Mark. "If you eat asparagus, I don't care what you take—nothing's gonna help it." The distributor insists that most people love his product and that no one has taken him up on his money-back guarantee.

James Mark (no relation), a Ph.D. candidate in biology, says that there may be an evolutionary explanation for spunk's sour stench. "If cum tasted good, it might never find its way into a vagina, and the human race would die out. Guys with sweet-tasting semen may have been literally 'blown' to extinction."

If it means more blowjobs, most guys are willing to sacrifice their descendants.

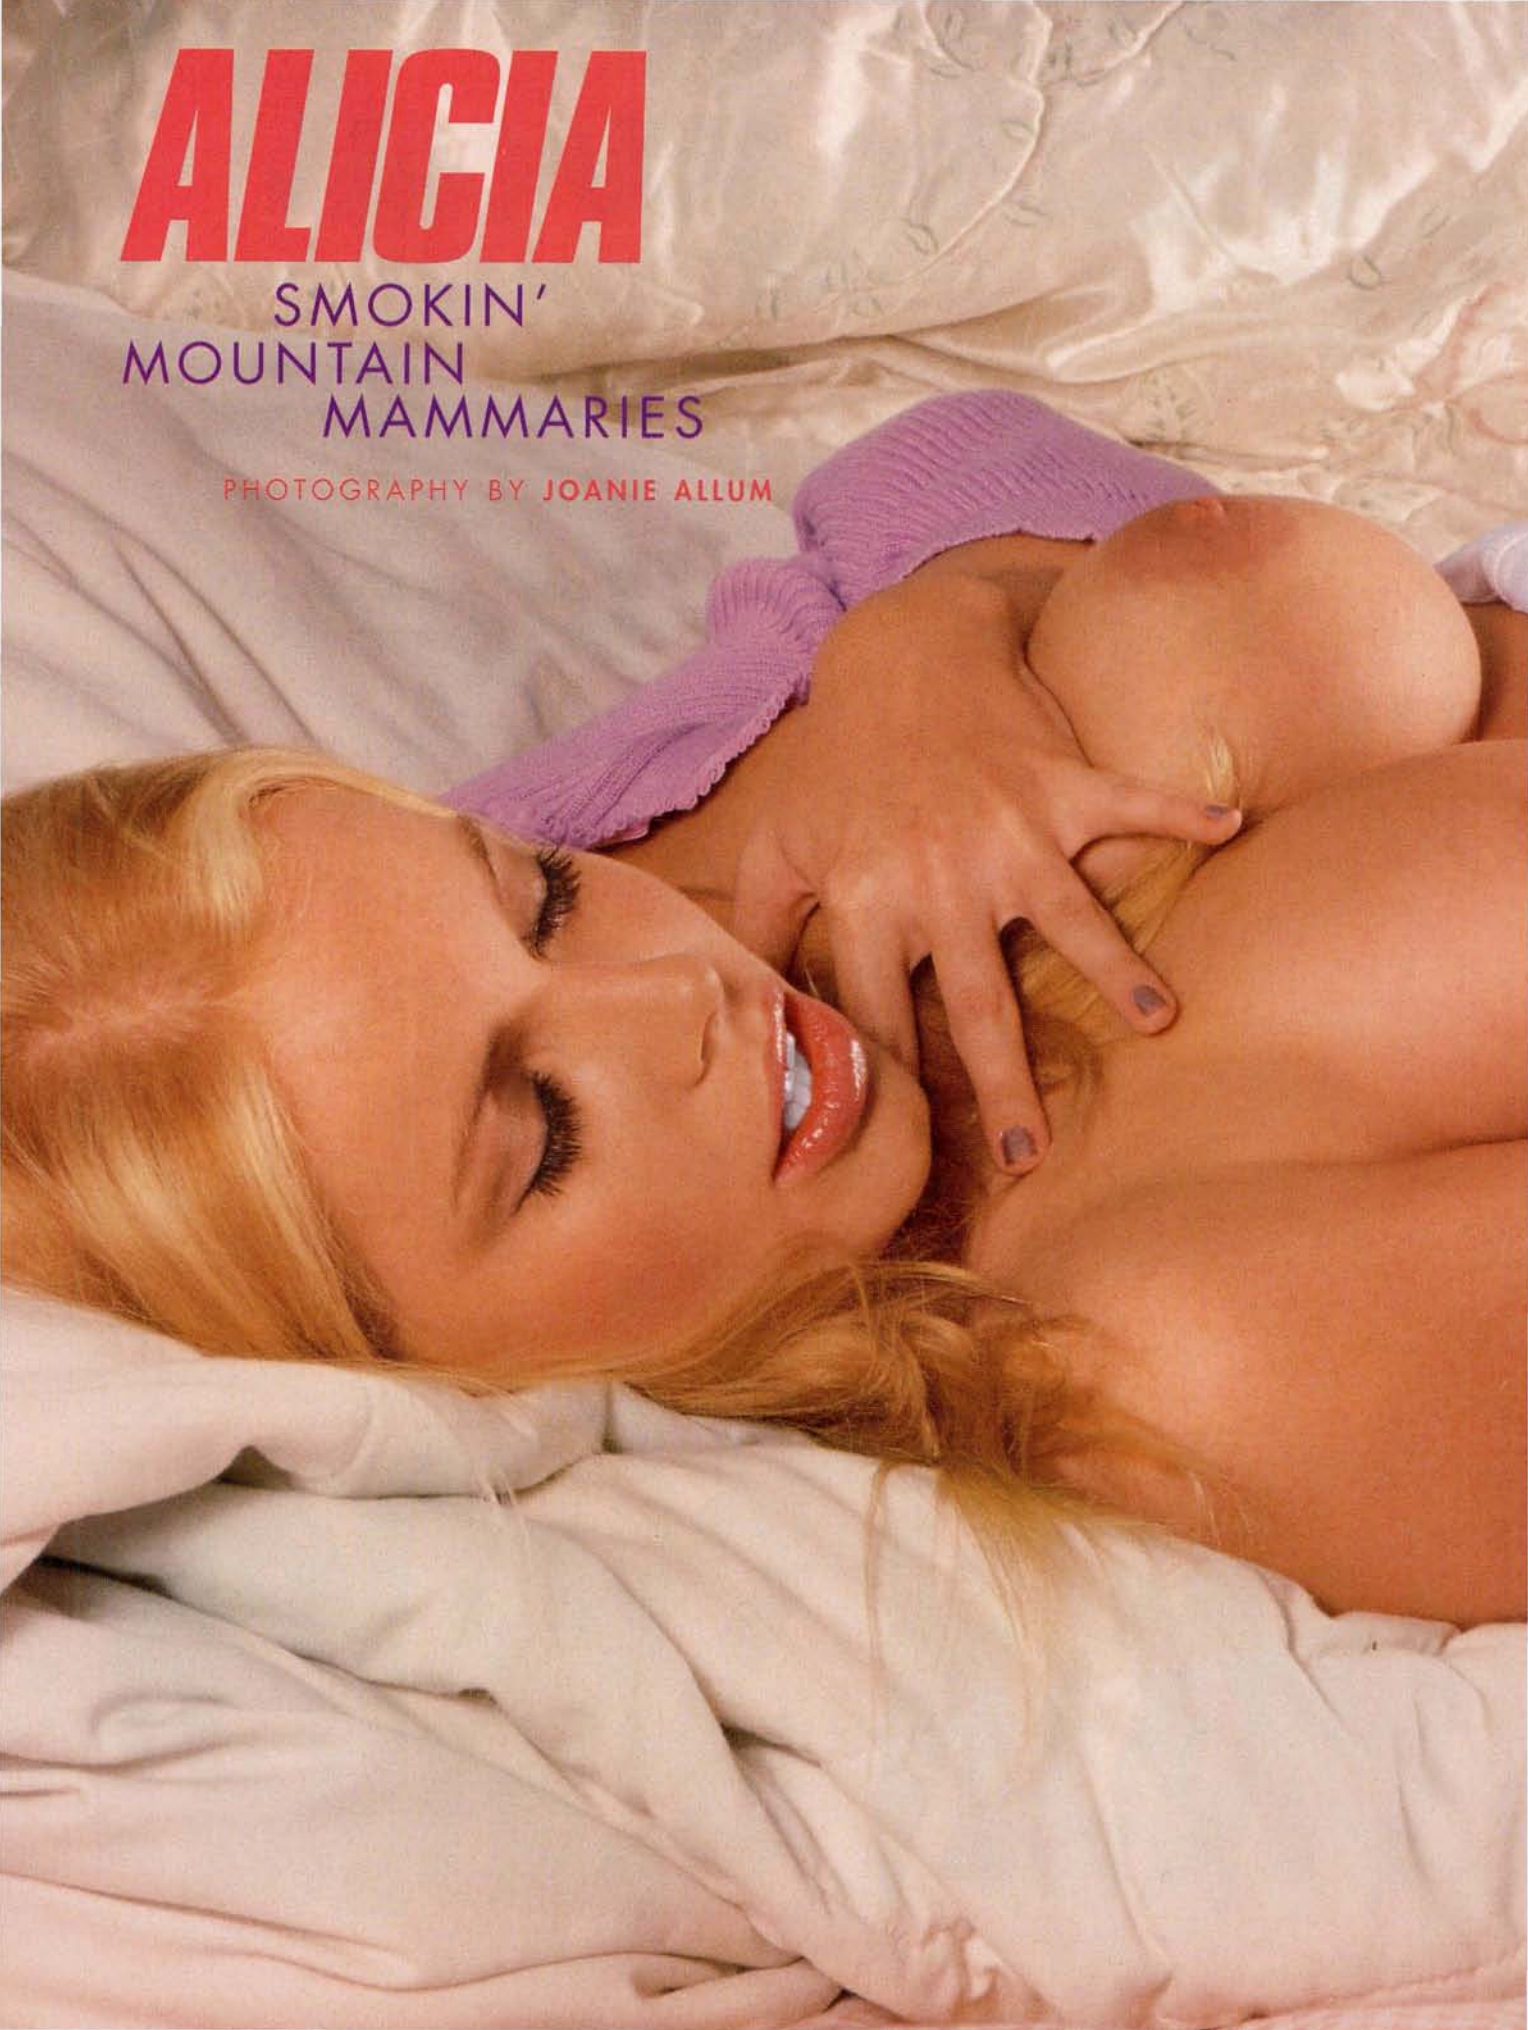
SMOKIN' MOUNTAIN MAMMARIES

PHOTOGRAPHY BY **JOANIE ALLUM**



"I guess you might say I'm an old-fashioned girl," *Alicia grins, locking her dorm-room door.* ***"I love the way this bodice pushes up my big tits. All day long I sit in class, daydreaming about the moment I can take off my sweater and grope my mams. I love teasing my perky nipples with my tongue; they taste so good."*** *Alicia isn't entirely traditional.* ***"Playing with my breasts makes me wet; so I fuck myself hard with toys, pretending it's two of the townies pumping my ass and coming in my snatch. I wish someone would jizz on my titties. That way I could lick them dry."***

Commemorative Cooze

HUSTLER's scorching Anniversary issue celebrates 28 years of truth, justice and pink with a sultry gathering of fresh, female flesh. A determined groupie bags the guitar god she worships and makes beautiful music with the rocker's skin flute. A luscious, black siren slips off her bright, blue thong to reveal her favorite color. A piss-happy blonde taints a stud's swimming pool with hot whiz; so Mr. Fix-it plugs her leak. A rich dominatrix shows the proper tools for training a French maid—bondage and spit. Observe the birth of our great nation *and* its most important magazine in the July 2002 HUSTLER.

Free Love's Hidden Fees

Although sometimes confused with swingers, polyamorists consider themselves to be an entirely different breed of sexual free spirit. Literally meaning "many loves," the term *polyamory* describes a system in which, unlike swinging, participants maintain close emotional connections with multiple sexual partners. As much as it may seem like a sensible alternative to monogamy, keeping one girlfriend happy without making the other three feel neglected comes with its own batch of headaches. In July's *Sex Play*, correspondent Jackie Cohen finds out if the extra nookie is worth the added trouble.

Censorship for Kids

Shameless opponents of free expression are hiding behind children to justify their pro-censorship onslaughts. Modern-day puritans claim that their efforts to eliminate legal adult materials from the marketplace are meant only to protect children from accidentally viewing mature content. Although no credible medical evidence indicates that exposure to sexually explicit material is harmful to minors, these antiporn crusaders have enjoyed a disturbing level of success in curbing the viewing rights of everyone. In an important HUSTLER feature, reporters Stephen Johnson and Jarvis Thorpe look at the tactics and dirty tricks that self-proclaimed moralists use to impose their agenda on America.

Star-Spangled Boners

A special edition of *Bits & Pieces* takes readers behind the scenes of HUSTLER's infamous parodies, from alcohol-soaked inception to public infliction. A dozen uncensored XXX reviews burst the porn envelope in *Erotic Entertainment*. A rude retrospective chronicles the trials and titillations of Larry Flynt's monthly tribute to free speech and flesh and, of course, the girls next door strip for their neighbors in *Beaver Hunt*. In honor of our many years together, HUSTLER's Anniversary issue gives readers the traditional gift of wood.
